What you need to know...

What is a Federal Student Aid (FSA) Account?

An FSA Account is a username and password that you will use to log into certain U.S. Department of Education websites, and electronically sign the Free Application for Federal Student Aid (FAFSA®).

Who should create an FSA Account?

Students interested in receiving federal student aid should create an FSA Account. You **AND** any parent electronically signing the FAFSA will need their own separate FSA Account.

When should I create an FSA Account?

Due to processing time, we recommend you apply at least 3 days **BEFORE** filing the FAFSA or attending a FAFSA Completion Event.

What do I need to create an account?

You will need your own mobile phone number and/or email address.

Never share your username and password with anyone, not even to someone helping you fill out the FAFSA.
