

The Class of 1988 Selects...

Dr. Peter E. Sheptak (Class of 1955)

Since completing his undergraduate studies at the University of Notre Dame in 1959, Dr. Sheptak has studied, practiced, and taught medicine at the University of Pittsburgh for over three decades.

Dr. Sheptak attended medical school at Pitt from 1959 to 1963. Since completing an internship and residency program, he has devoted his professional career to neurological surgery as both an instructor and a practicing surgeon. Currently, Dr. Sheptak is a Clinical Professor of Neurological Surgery at the University of Pittsburgh School of Medicine and the Chief of Neurosurgery at St. Francis Medical Center. He also has numerous other hospital affiliations in the Pittsburgh area. Dr. Sheptak's professional achievements include co-authoring numerous articles for professional publications such as *The Journal of the American Medical Association* and the *Journal of Neurosurgery*.

He has also contributed his expertise in many presentations before fellow neurosurgeons in various professional meetings. Dr. Sheptak serves on the board of directors of the Pittsburgh Opera, is president of the Pittsburgh Field Club, and is the team neurosurgeon for the Pittsburgh Penguins. A resident of Pittsburgh, he attended Broad Street Elementary School. His mother lives in Butler.
