

HIGHLANDS SCHOOL

PARENTS' AUXILIARY

Despite the obstacles the past few years have thrown our way, we are looking forward to bringing back many of the traditions and events that we know and love at Highlands, and hopefully introducing some new ones! We are particularly excited that our new families will be able to experience the Highlands community the way it is intended to be.

All of you are automatically members of the Highlands Parent Auxiliary (PA). The PA's purpose is to uphold the mission of Highlands School, to help support the school's needs through fundraising and events, and to enhance communication between the school and its families.

One of the best ways you can participate in the Highlands community is to volunteer. As the school year starts back up, please consider getting involved with the PA, where there will be so many opportunities to help in your child's classroom, with extracurriculars, the school, and the community. We will also be hosting various fun events throughout the year for families, for parents, and for students.

Please mark your calendars for our three PA Meetings, which will be held immediately after drop off on September 26th, January 23rd, and May 15th. We want and need your help this year — your creativity, your ideas, your energy, and your voice. Please sign up to serve on a committee or feel free to contact one of us to find your best fit.

We hope that this will be our most engaged year yet and we are excited to see all of you at our events this fall!
