

**OLDHAM COUNTY BOARD OF EDUCATION
ADMINISTRATIVE REGULATION FORM**

STUDENT OWNED TECHNOLOGY DEVICES

9064.03F

Relates to Policy 9064, 4083

As related to privately owned computers being used in the Oldham County School's facilities, the Oldham County Schools Network system reserves the right to:

- Require such equipment have the most recent Windows updates (if applicable to the device) and the most recent virus scan data files installed and operable.
- Legally owned versions of the device's operating systems must be installed and will be the responsibility of the owner.
- District licensed software will not be installed on personally owned technology devices.
- Monitor all activity.
- Make determinations on whether specific uses of the technology devices are consistent with the District's Acceptable Use Policy.
- Log network use and monitor storage disk space utilized by such users.
- Install any additional management software or apply any permission/security policies to the equipment.
- Remove the user's access to the network and suspend the right to use the privately-owned technology device in District facilities at any time if it is determined that the user is engaged in unauthorized activity, violating the Acceptable Use Policy, or violating the terms of this agreement.

I have read and consent to the above information. I am requesting that my privately-owned equipment described below be attached to the Oldham County Schools network.

Complete the following information and return this form to the School Technology Coordinator or the District Technology Coordinator.
