

LEMONT HIGH SCHOOL FEE WAIVER APPLICATION

This application cannot be processed until all required income verification documentation is included.

Lemont High School District 210 accepts fee waiver applications from parents/guardians who, due to financial hardship, do not feel that they can afford to pay their child(ren)'s registration fees. This application is independent from District 210's process for determining a student's eligibility for free meals through the National School Lunch Program (NSLP). The NSLP's federal income guidelines are included within this application. Please visit the following address on the school's website to learn what is not included in a fee waiver: <https://www.lhs210.net/about-us/fees-structure/student-fees-chart>

Please complete this application and return it, along with the required income verification documentation, to the Business Office by the first day of school. Parents/guardians who receive the application after that date should return it within a week of its receipt. Please contact Business Office representative Jordan Smuksta at (630) 243-3284 with questions.

Please print in all fields and respond to the statements.

The following is the definition of income:

Income is defined as any monies earned before any deductions such as income taxes, social security taxes, insurance premiums, charitable contributions, and bonds. It includes the following: (1) monetary compensation for services including wages, salary, commissions, or fees; (2) net income from non-farm self-employment; (3) net income from farm self-employment; (4) social security; (5) dividends or interest on savings or bonds or income from estates or trusts; (6) net rental income; (7) public assistance or welfare payments; (8) unemployment compensation; (9) government civilian employee or military retirement or pensions or veteran payments; (10) private pensions or annuities; (11) alimony or child support payments; (12) regular contributions from persons not living in the household; (13) net royalties; and (14) other cash income. Other cash income would include cash amounts received or withdrawn from any source including savings, investments, trust accounts, and other resources which would be available to pay the price of a child's meal.
