"At this time, I need a motion to go into Executive Session to discuss the following matters:

- 1. A litigation matter pertaining to a student injury;*
- 2. A litigation matter pertaining to a truancy matter; and*
- 3. A litigation matter pertaining to a special education student.*

The Board needs to go into Executive Session pursuant to KRS 61.810(1) (c) to meet with the Board's attorney regarding litigation preparation and strategy, the public disclosure of which would jeopardize the Board's position."

On a motion by Larry Dodson, seconded by Patrick Kehoe, and unanimously carried, the Board went into executive session at 5:20 p.m. (4-0).

** Board Member Walt Schumm joined the meeting.*

The Board returned from executive session at 6:33 p.m. with no action to follow.

XII. PLEDGE OF ALLEGIANCE

Chairperson Fletcher asked the audience to stand for the Pledge of Allegiance.

XIII. BOARD REPORT

Chairperson Fletcher next provided a public report pertaining to the 2017-2018 evaluation of the Superintendent and read the following:

"In conformance with the Superintendent's contract, the Board is required to perform a year-end evaluation on or prior to the July Board meeting

*In keeping with **KRS 156.557**, while in executive session at the June 27, 2018, special-called meeting, the Board conducted a preliminary discussion of the year-end evaluation of the performance of Superintendent Schultz in closed session.*

The process of conducting the superintendent's evaluation was as follows:

Evaluation documents were sent out to the board members prior to the June 27, 2018, meeting.

Board members were given one week, to complete their documents and return them to me. The Board members were asked to use the following indicators:

- Exemplary*
- Accomplished*
- Developing*
- Growth Required*

Board members were encouraged to provide comments when necessary.

These preliminary results were discussed, a formal evaluation was prepared in executive session at the June 27, 2018, meeting, and the evaluation was presented in open session at that same meeting.

At this time, the Board would like to provide a brief summary of the Superintendent's 2017-18 performance evaluation.

The evaluation document centers on the 2017-18 standards adopted by the Board for the superintendent. The standards include Strategic Leadership, Instructional Leadership, Cultural Leadership, Human Resource Leadership, Managerial Leadership, Collaborative Leadership, and Influential Leadership.

Mr. Schultz received the highest rating of "Exemplary" on 6 out of 7 of above-mentioned Standards, and was found to be "Accomplished" on Standard 7—Influential Leadership.

It is the consensus of this Board that Mr. Schultz did an exceptional job this year as superintendent. We are very pleased with the climate and culture throughout the district under his leadership. Mr. Schultz seeks input from Board members and his colleagues to ensure that each decision is thoughtful and well analyzed. The Board challenged Mr. Schultz in several areas and he has made excellent progress in those areas. He and his leadership team have worked closely with the Board to develop new programs to ensure every student receives a quality education. We look forward to continuing to work with Mr. Schultz, as we all remain committed to student learning for all students."

Center addition & renovation, Goshen Elementary roof replacement, North Oldham High School's storm damage repairs, and Camden Station Elementary addition & renovations.

Chairperson Fletcher and Superintendent Schultz took a moment to welcome new administrators Dr. Dylan Smith, North Oldham Middle School Principal, Austin Hunsaker, South Oldham Middle School Principal, and Krista Mornar, Centerfield Elementary School Principal.
