only:

First Notice

Second Notice

Student's Name:

Parent/Guardian:

Parent E-mail address:

School:

Grade:

Date:

What are your child's strengths?

What types of things or situations frustrate your child?

What things might be helpful to know about your child that may not be easily seen at school?

If there are recent, significant changes in your child's home life or daily routine that might affect his or her performance in the classroom, please describe them:

If there are academic/social/career concerns you have about your child, please elaborate:

If there are other things you wish to express about your child, please do so:

**Parent surveys are requested when students are initially identified, and at 6th and 9th grades (transition years). Parents can opt to update this form yearly if so desired.*
