Superintendent's Report

Retirement Recognition

The Board was treated to a brief video of the retirees of the 2021-2022 school year.

Superintendent Farr made the following statement:

"As we've said for many years now, anyone who works in education (or volunteers in the case of a board member) is a teacher in one way or another. We either explicitly teach students through instruction or we teach students through our actions. Our character, our care, our words, our work-ethic.

Everything we do each and every day teaches our children, the future of our society. So, when I say the job of an educator is important, that isn't just fluff. The job of those who work in education comes with the utmost importance and urgency. We are quite literally shaping the future of our society.

We want our children to be thoughtful, reflective, compassionate, and progressive thinkers. We want our children to have courage and confidence. We want our children to know that they are seen, valued and that they belong. This is the path to a better society and our retirees, those we are honoring this evening, are who have paved that path for literally thousands of students.

With over 700 years of educational commitment combined in this retiring class, the path you've paved will impact generations. Your mark and positive direction have been made. We are grateful for your dedication, professionalism... and friendship and we wish you many, many years of peace, health, and happiness. Thank you for your service!"

Mrs. Grimm made the following statement:

"This is always such a bittersweet event evening for us. It's hard to say goodbye to people who have become part of the fabric of our lives, people who define the education our students receive, people who are so good at what they do. To you, we say thank you. We believe you are every bit the heroes today that you were at the beginning of the pandemic, and 10 years ago, and the very first day of your careers, because you have dedicated your professional lives to making a difference in the life of a child. I'm not sure there is higher calling.

We wish you days and days of time with loved ones, time to discover new passions, and time to rediscover things you just didn't have time to do while you were working here. Please know that if you choose to let the district drift away in your rear-view mirror as you drive away on your final day, we will be here wiping away a tear and wishing you all the best. If you instead would like to stay involved, please let us know. Either way, you will always be part of our One Braves family. Thank you!

And, Michelle - the consummate colleague. There are several Fs on Michelle's A+ record as a board member. Michelle is fearless. She states her opinions boldly, calmly, clearly, and respectfully. Michelle's love for her family and friends, and her colleagues and the district, by extension, is unconditional and joyful. Michelle is fun - so fun - offering sane perspective, kindness, and humor, and her often-stated refrain: Aren't people interesting?! Finally, Michelle is, in a word, fabulous. We will miss you and we are so thankful for the years you gave to all of us."

4. Local Funding in-lieu of Debt

based on the recommendation of the Superintendent the Board of Education authorizes the transfer of \$2,000,000 undesignated unappropriated fund balance to the Asset Preservation capital project in lieu of issuing debt. The Board thereby authorized the increase in the budget code A-9950.9 transfer to capital projects funds and appropriated fund balance A-599 totaling \$2,000,000.
