**Additional directions below for clarity on Middle School positions:**

1. Named and OPEN Positions occupied by current staff prior to July 1st 2021 will be granted pay based off their 2020 salary, if that pay is higher than this revised stipend schedule. That fixed salary will remain for as long as the employee holds that position.
2. Unfilled positions' stipend amounts will start for all new hires and new-to-position staff on July 1, 2021.
3. Named positions can't be split; named positions can't be stacked except for item 4.
4. Sports for which boys and girls compete separately, but practice together, can stack the Head coach position. Coaches who choose to stack both teams will receive 1.5 times the coach pay, not 2 times the listed pay. For example, for Track or Cross Country, that would be \$2,250 for the Head Coach with less than 10 years of experience.
5. Assistant positions can't be stacked due to supervision concerns.
6. OPEN Positions' stipends will be able to be stacked not to exceed \$1,000 per position. Stacked positions must have year round expectations. A stacked position counts as two slots.
7. Assistant AD - Paid by Athletics \$500 full year; must be a full time employee and not an Administrator.

- Unfilled positions' stipend amounts will start for all new hires and new-to-position staff on July 1, 2021.
- Named positions can't be split; named positions can't be stacked except for item 4.
- Same as for Middle School. As an example, Track and Cross Country Head positions can be stacked, but will earn \$7,500 total for 11+ years of experience.
- Assistant positions can't be stacked due to supervision concerns.
- OPEN Positions' stipends will be able to be stacked not to exceed \$1,000 per position. Stacked positions must have year round expectations. A stacked position counts as two slots.
- High School Football programs that have 80 plus active athletes at the end of a season in November can request 1 additional assistant coach.
- Weightlifting is for a schoolwide comprehensive program, not sport-specific.  
Coaches who are currently paid a % can continue with their 2020 pay as long as the program is comprehensive and schoolwide.
