Alumni Award Nomination Form

Each year the Saint James School Alumni Council honors an alumnus or alumna who has distinguished himself or herself with outstanding service to the School and to society. We invite alumni and friends to nominate candidates for this award. When considering a candidate for nomination, emphasis should be placed on the criterion of service to Saint James School - such as active service as a Class Agent, Trustee, or Alumni Council member, or active leadership with Alumni Weekend planning, Annual Fund or other alumni events.

Additional supporting materials are welcomed and may be included with this completed Nomination Form. Please submit nomination forms and materials **by January 15**.
