From the Principal's Desk

Since Spring Break is rapidly approaching, Lakewood High School has crammed a lot of exciting events into the first three weeks of March.

March 1st starts the month with the OMEA District IV High School Solo and Ensemble Contest.

Have you ever wanted to see adults and students try to cross the pool in a cardboard boat? Well, come to see the LHS Cardboard Boat Regatta after school on Mar. 4 in the LHS Pool. Tickets are limited and cost $1 each; they are on sale in the Bookroom.

The Talent Show will perform in the Civic on both March 5 and 6 at 7 p.m.

Watters Science Seminar will meet in Lecture Hall 3 on March 6 at 6:45 p.m.

March 7 and 8 is the OMEA District Band and Choir Contest.

The week of March 10th is the OGT tests. As a reminder, this test is for all sophomores and any junior or senior who has not passed one or more sections of the test. There will be a late start for all ninth graders and those juniors and seniors who have passed all sections of the test. Makeup tests will be given the week of March 17th.

March 11 is the Lakewood Jazz Festival. Always a swinging time!

The Community Leaders Breakfast will take place in the E. Cafeteria on Mar. 12 at 7:45 a.m.

March 21st brings the end of the 3rd quarter. Only one more to go!

The week of March 24 is Spring Break. School will reopen on March 31.

District Message

MESSAGE FROM THE SUPERINTENDENT

March is a big month for our district as our students in grades 3-8 take the Ohio Achievement Assessments this month.

Our staff and students have been preparing the best they can while coping with the interruptions that our unusual winter has brought us. Hopefully, we will be able to move ahead these next few weeks of prep time without anymore unplanned days off.

March will also see us complete a technology rollout of new equipment for our three elementary schools that will be torn down this summer. Three hundred iPads (for grades K-2) and 400 Chromebooks (grades 3-5) have been ordered for Grant, Lincoln and Roosevelt schools that will allow our teachers to bring technology directly to the curriculum through mobile devices rather than computer labs. These tech tools will move with the students as they transition in the fall to their new locations, which are currently in the process of being upgraded to meet our educational learning environment standards.

Finally, I want to send my congratulations to our two team conference champs this past winters sports season, the boys' and girls' varsity basketball squads and to conference title winners John Liber (who also qualified for state) in diving and wrestlers Yassir Abdelsalam and Airren Robinson. Congratulations as well to the many District qualifiers in swimming and gymnast Grace Hinslea-Burke, Sectionals champ in the beam and runnerup in the all-around. We are proud of all our student-athletes and coaches who work so hard.

Scholarship Guide

Master the Basics

Where to start

- **Go online** and take advantage of free scholarship searches such as www.fastweb.com for local, regional, state, and national awards.
- **Consult** your school guidance counselor about local, private and corporate sponsorships.
- **Search** your community. There are many philanthropic and non-profit organizations that may offer awards. Visit your local public library to research scholarships.

How to prepare

- **Get organized** and keep the scholarships you are working on separate from those you have not started. Use a calendar to keep track of dates and deadlines. Create a folder for each application and materials.
- **Know your time frame to apply**. Complete and submit the easiest scholarships first. Then focus on the scholarships with earlier deadlines and ones that may require more time. Allow plenty of time when requesting letters of recommendation.

Submit your application

- **Remember** to check spelling and grammar.
- **Proofread your materials** and have a teacher, parent or friend read over your application and essay if submitting online or by mail. They can provide feedback and catch mistakes.
- **Keep a copy** of your application.

The Scholarship Essay

Before you begin:

Develop a theme that fits the scholarship. Learn about the scholarship provider's mission and goals. Include elements in your essay to complement the sponsor's expectations. For example, if the provider is interested in community service, highlight ways you impact your community within your essay.

A few topic ideas:

Personal achievements

- Talk about specific interactions you may have had with others. Do you still keep in touch with anyone you've helped? How did you influence their lives?
- How did your achievements reflect your values? Why are your achievements important to you? Did you do something that received high praise or recognition?
- Personalize your experience. For example, what makes the volunteer and community service you've performed unique? What made you stand out?

fastweb! *Tip: Judges want to see how your achievements impact you personally! They are interested in what you have learned from your successes and challenges.*

Academic plans and possible major

- Instead of saying, "Science is my favorite subject," discuss a *specific* assignment or project that you worked on that sparked your interest.
- Avoid saying that you selected a major or career path to "help people." What specific actions can you take to improve the lives of others? Discuss how your values are relevant to what you will be studying in college.

fastweb! *Tip: Don't focus on the classes you hope to take in college. Focus on your academic degree and future goals and why they are important to you.*

Social issues and current events

- Think about current issues or events in the news that you feel strongly about.
- Do you know a lot about a controversial topic?
- Do you know of someone who is directly involved in an issue who might be able to provide insight?

fastweb! *Tip: Summarize the issue(s) briefly. Share your perspective, offer constructive suggestions and address all sides of the issue, not just your own opinion.*

Mentors, admirers and influences

- Think about your friends and family, community and the things you've learned outside of the classroom. Pick specific people, incidents and learning experiences to write about that will let your personality come through.
- Is there a person you aspire to be like within your chosen major or career path? Someone who encouraged you to succeed?
- Focus on specific qualities or actions that the person has inspired in you.

fastweb! *Tip: When writing about others, be sure to focus on how this person has inspired you and shaped your life.*

What Do Judges or Evaluators Look For?

Do you qualify? Every year, students waste time by applying for awards they aren't eligible to win. If you don't meet the eligibility criteria, don't enter!

Is your application presented well? Type your essay, place the application, essay and other contents in a large folder for mailing. Do not fold any of the materials.

Did you include all required documents? Make sure you include all required academic transcripts, references and letters of recommendation.

Did you answer all of the questions? Double-check that you haven't forgotten any required information.

Scholarship Scams Tip Sheet

How do I recognize a scholarship scammer?

A scammer:

- States you've won an award for which you didn't apply.
- Does not supply valid contact information.
- Guarantees you will win an award
- Requires personal financial information (such as credit card numbers or checking account numbers to verify or hold a scholarship).

How do I recognize a legitimate scholarship service?

A legitimate service:

- Sends information about awards when you request it
- Makes contact information available upon request.
- Does not guarantee you will win an award.
- Should not direct you to a fee-based provider because they know that financial aid information is readily available for free.

What If You Suspect a Scam?

- Save all of the forms you receive from the company.
- Keep copies of written details about the offer and any correspondence, emails or other paperwork.
- Make sure all materials are dated.
- Take notes during any seminars or phone conversations. Record the date, time, phone number and the person's name with whom you spoke.
- Include a detailed account of your conversation.
- Take a copy of all literature and correspondence concerning the scholarship to your guidance counselor's office. They can verify that the foundation is legitimate.

Report the suspected scammer to any of the following organizations:

National Fraud Information Center (NFIC)
Ph : 800-876-7060 Web : www.fraud.org
Federal Trade Commission (FTC)
Ph : 877-FTC-HELP (1-877-382-4357)
Web: www.ftc.gov
State Attorney General's Office
Visit your state's Web site to obtain state attorney general's contact information. Ask them about filing a complaint with the Bureau of Consumer Protection in your state.
Better Business Bureau (BBB)
Ph: 703-276-0100 Web: www.bbb.org
United States Postal Inspection Service (USPIS)
Phone 800-654-8896
Web: www.usps.gov/postalinspectors/fraud

Popular (But False!) Claims

"For a small fee, we'll give you a list of scholarships."
Never spend money on a fee-based matching service. The biggest and best award databases are available for free on the Internet.
"We'll help you complete complicated forms."
Information about the FAFSA and other forms is available for free from your guidance counselor, your library and the Department of Education. You still have to fill out the same basic information for a fee-based service that you would for the FAFSA; how else would they get your information? For general financial aid or FAFSA related questions call 800-4-FED-AID (800-433-3243).
"You are guaranteed a minimum of $1000 in awards."
A service can't guarantee any scholarships because they have no control over the scholarship judge's decisions.
"We have a 96% success rate."
These false success rates indicate the percentage of students they've successfully matched with the database, NOT the number of students who actually receive money.
"We'll need a bank account/credit card number to verify your information."
Your bank account and credit card information is confidential. A legitimate scholarship provider won't ask for this information.
"We will do all the work for you."
To win a legitimate scholarship, you must submit your own applications, write your own essays and solicit your own letters of recommendation. There is no way to avoid doing the work!

Financial Aid Seminars & Consultants

How do I protect myself from being scammed by a consultant or financial aid seminar?
Consultants
When choosing to utlize the services of a a consultant, consider their qualifications carefully. Find someone who has worked as a financial aid administrator, CPA or CFP.
Seminars
Some seminars will state that their presentation is free and use high pressure tactics to get you signed up for their service, while only answering questions after you agree to pay a fee. Keep in mind that no one can find loopholes to help you save money. Don't trust anyone who encourages you to do something unethical. If you falsify financial aid forms, you can end up with a $20,000 fine, be sent to prison or both.
If you need help with your financial aid paperwork or understanding the process, contact your gudance counselor as soon as possible.

Sample Award Letter Explained

Dear Student:

The results of your Free Application for Federal Student Aid (FAFSA) indicate that you are eligible for financial assistance for the upcoming academic year. We are pleased to offer you the following financial aid award. Please review each type of award before accepting.

Federal Pell Grant (free money)

Option to accept or decline each award

Award	Fall	Spring	Accept	Decline	Total
Federal Pell Grant	$ 625	$ 625	☐	☐	$1,250
Total Direct Loans					$6,876
Direct Federal Stafford Loan (Subsidized)	$1,500	$1,500	☐	☐	
Direct Federal Stafford Loan (Unsubsidized)	$1,938	$1,938	☐	☐	
Total Financial Aid Package					**$8,126**

Federal Stafford Loan – Unsubsidized
(interest accrues immediately after loan is disbursed)

Federal Stafford Loan – Subsidized
(interest-free until 6 months after graduation when repayment of interest & principal begins)

Sincerely,
Student Financial Services

What does this mean to you?

Cost of Attendance (COA)	$17,239
Gift Aid (Pell Grant)	$ 1,250
Out-of-Pocket Cost	**$ 15,989**

Out-of-pocket cost is the difference between the cost of attendance and the gift aid, such as grants and scholarships. It is the amount of money you will have to pay from savings (past income), income and loans (future income). Scholarships will always be the best way to meet the costs of a college education. Orchestra, Band & Choir News

Congratulations to **Jimmy Toner** and **Ryan Detwiler** who were members of the 2014 Ohio Music Education All State Orchestra and performed in Columbus last month.

On President's Day, **Lakewood High School Chamber Orchestra** ventured into school to participate in one of many activities that will take place this school year as a result of **The Cleveland Orchestra**'s partnership with the **City of Lakewood**. Brett Mitchell, assistant conductor of The Cleveland Orchestra and Music Director of The Cleveland Orchestra Youth Orchestra came to Lakewood High School and spent two hours working with the chamber orchestra on the Adagio for Strings by Barber and the Finale of The Serenade for Strings by Tchaikovsky. The students were prepared, attentive and eager to soak up all of the insight Mr. Mitchell had to offer regarding their performance. The LHS Chamber Orchestra's improvement was impressive and we are thankful to The Cleveland Orchestra and The City of Lakewood for this opportunity.
