

Leaf Luminary

Supplies:

Leaf Die Cuts – Various Shapes
Canning Jars – Quart or Pint Size
Masking Tape
Leather Twine – Optional
Tea Lights

Directions:

Cut long strips of masking tape. Affix to the leaf die cuts. Tape to the outside of the canning jar. Once all leaves are in place, continue to apply strips of masking tape until entire jar is covered. You do not need to put masking tape on the bottom of the jar. Add a leather twine bow. Put tea light inside.
