

Pumpkin Sock Craft: (Very Easy)

Materials:

One child's sock/per child

one green chenille wire twist/per child

a few bags of poly-fill

Brown and Black sharpies

1. Prior to social: Dye white socks orange, or purchase orange socks.
2. At social: children stuff the sock with poly fill
3. Twist shut top of sock, and secure with chenille stem. Use the brown sharpie to color the stem brown
4. Make jack-o-lantern faces on the sock with Brown or Black sharpies. Alternately, you can make the socks into pumpkins by putting brown lines vertically down the sides of the pumpkin.
