Poquoson City School Board Reading File Item Brief

Reading File Item: VI - E

Meeting Date: March 15, 2022

Subject:

Authorization for Superintendent to sign a purchase agreement to purchase notebook and desktop computers, docking stations, and monitors

Background:

The School Board adopted the purchasing procedures utilized by the City of Poquoson as they appear in the Poquoson City Purchasing Manual, which requires purchases of over \$100,000 be approved by the School Board.

Due to the scheduled end of life for Windows 10, the planned computer replacements are a little different than normal. For many years now, we have been purchasing refurbished systems, but the strict system requirements for Windows 11 are requiring brand new systems.

Discussion:

Teachers have a desktop computer in the classroom and then more recently were issued a chromebook when students moved 1:1 with devices. In an effort to maintain flexibility and streamline devices, PCPS is moving to a single Windows based notebook for teachers. Classrooms will be equipped with a docking station and monitor to support the notebook computers. Therefore, the notebook computer will connect with their projector, monitor, printer, and document and conference cameras. Desktop computers will still be maintained for administrative staff. This year, replacement equipment will be completed at the elementary and middle schools.

PCPS issued a Request for Proposal (RFP) to solicit competitive proposals for the purchase of 100 notebook computers, 25 desktop computers, 110 docking stations, and 149 monitors. Notice of the RFP was posted on the PCPS bulletin board, placed on the PCPS website and on Virginia's eProcurement Portal, eVA. PCPS received proposals from three (3) vendors, which were Attronica Computers, Troxell Communications and Virtucom.

The evaluation committee reviewed all proposals using the following criteria: proposal price, production/inventory/delivery, organization strength, professional references and quality of proposal submission.

Based on this criteria, the evaluation committee determined that Attronica Computers' proposal for HP devices was best suited to meet the school division's needs as defined in the RFP. The total cost for their proposal is \$140,445 and State Technology Grant funding will be utilized for this purchase.

Recommendation: Motion to authorize the Superintendent to sign a purchase agreement with Attronica Computers to purchase notebook and desktop computers, docking stations, and monitors

Poquoson City School Board
Reading File Item Brief

Reading File Item: VII - B

Meeting Date: March 15, 2022

Subject: Motion to approve the Draft Option A PCPS Calendar for the 2022-2023 school year.

Background

The Poquoson City School Division participates in the development of the regional calendar through its representation on the Regional Calendar Committee. This affords PCPS substantive operational efficiencies and our students' schedules coincide with the schedules of the regional programs such as New Horizons Governor School and Newport Academy to the greatest extent possible. Additionally, staff feedback is elicited and considered in the development of the calendar. The school division calendar, which must be approved annually by the School Board, shall contain a minimum of 180 instructional days, contain a minimum of 140 hours for high school courses and comply with Virginia State Code.

Discussion

Following the completion of the work of the Regional Calendar Committee, meeting with the Teacher Advisory Committee (TAC), meetings with the school division leadership team, and meeting with the school based leadership teams, the calendar was developed with all of the input considered. Several school divisions around Poquoson are electing to have a pre-Labor day start. Due to the state scheduling requirements, the Poquoson teams of staff members that gave input into the calendar saw no instructional benefit for Poquoson beginning prior to Labor Day. These teams of staff members recommended that Poquoson begin school with a post-Labor Day beginning of school; this is option A of the two draft calendars presented. New Horizons operated on a different school calendar than Poquoson did in this current school year (2021-2022) and there were not any problems in working out the schedule for the students. Although we are recommending Draft A based on the received staff feedback, we have also included, for your consideration, a pre-Labor Day start calendar (Draft B) that roughly aligns with other school divisions in the region. Input from staff members helped create the following highlights of the PCPS 2022-2023 Calendar:

- The calendar includes 181 student days, which allows for one built-in inclement weather day.
- In addition to the built-in day, the following school holidays may be used to make up instructional time lost from inclement weather:
 - November 11 – Student Holiday (Veterans Day) for Parent-Teacher Conferences
 - November 23 – Student Holiday for Thanksgiving
 - January 16 – Martin Luther King, Jr. Holiday
 - February 8 – Professional Development Day
 - February 20 – Presidents' Day Holiday
- All four schools will have the same number of early release days (11).
