

SUPERINTENDENT'S REGULATION 6-5.6(B)**WORKBOOKS AND SUPPLIES**

The wholesale use of workbooks is not encouraged by the Poquoson City School Board. Wherever workbooks are used, the decision will be made by the principal and teacher of the respective subject area.

Workbooks accompanying the reading program will be provided by the School Board. Although it is not required, parents and/or guardians of students may be requested to purchase workbooks when used in other subjects.

Some instructional supplies used in the classroom will be purchased by the School Board and such supplies will be recommended by the elementary, secondary and or special education coordinator, principal and teacher of the respective subject area. Final decision will be made by the division superintendent or his/her designee. Certain instructional materials that will be used for constructing a project of monetary value to the students shall be paid for by the student's parents.
