SCHOOL SUPPLY LIST 2022-2023

The following supply list provides recommendations in order to help your child be organized and prepared for the 2022-2023 school year. Please note these are fewer supplies than in recent years. Our goal is to simplify the materials students will be using on a day to day basis.

All students will be receiving a Chromebook as part of the Pequannock Township School District's 1:1 Initiative (7th and 8th graders will continue to use the one they currently have and 6th graders will receive theirs at orientation). All students are encouraged to purchase a Chromebook cover.
