

Our Vision

As a leader of public PreK-12 education, the Hart County School District has a student-focused culture. We believe all students will achieve success and graduate prepared for college and/or career, as well as for life.

Our Mission

Working together to provide all students with a quality education that prepares them to be successful citizens.

#onehartky

Core Beliefs

We believe...

All schools in Hart County should work together and function as one.

We are all Raiders!

All students will learn and have the right to a safe, rigorous, and individualized educational experience.

All employees of the district play a vital role in the growth and development of our students.

All parental and community partnerships are instrumental in educating Hart County students.

All stakeholders deserve facilities and resources that are effectively managed and well maintained.

HART COUNTY SCHOOLS

STRATEGIC PLAN

Where Students Come First

SAFETY & WELL-BEING

Goals:

- We will provide a safe environment for our students and staff.

District Priorities:

- school resource officers in each building
- mental health awareness training for all staff
- update and review school and district safety plans
- maintain and upgrade safety technology (buzzers, cameras, ID cards,...)

HUMAN RESOURCES & BUILDING LEADERS

Goals:

- We will increase knowledge and expertise of our teachers and leaders.

District Priorities:

- support building leaders and prepare for future leaders
- mentor new and emergent teachers
- recruit and develop student leaders

PUBLIC RELATIONS

Goals:

- We will improve district partnerships with parents and the community.

District Priorities:

- sustain a thriving and evolving website
- provide proactive public forums
- create a district-wide Google Calendar
- expand social media presence

FINANCE & FACILITIES

Goals:

- We will be fiscally responsible in our spending and facilities management.

District Priorities:

- facility upgrades to be aligned with District Facility Plan
- budget aligned with school and district improvement plans
- multiyear spending plan
- streamline district processes

INSTRUCTION

Goals:

- We will provide developmentally appropriate education for pre-school and primary students to reach their greatest physical, social/emotional, and academic potential.
- We will increase proficiency in reading and math by at least 5% above the state average for students in grades 3-12.
- We will expand and improve opportunities for students to become college and/or career ready.

District Priorities:

- district-wide curriculum maps
- Portrait of a Graduate - identifying requirements for graduation and rigorous expectations for all students
- intentional professional learning in technology, differentiation, student engagement, and literacy instruction across all contents
- common assessments in reading and math
- Instructional rounds to address problems of practice
- standards alignment protocol for impact team meetings
