Multi-Year Course of Study

HIGH SCHOOL PROGRAM

Name: _____ Last _____ First _____ Middle _____ Grade: _____ Date: _____ Student ID#: _____

Address: _____ Street _____ City _____ State _____ Zip _____ Telephone#: _____

Post-Secondary Goal: (taken from student's IEP) _____

The student needs to give some serious consideration to the choice of subjects as they relate to their post-secondary goal. Career assessments, parents, teachers, counselors, librarians and people working in the fields of the student's interest are all possible sources of information to help the student develop a four-year high school plan that leads toward the student's post-secondary goal.

Complete this plan by: a) writing in the courses the student plans to take **AND** b) writing in the electives the student plans to take. On an annual basis review the plan, check the courses the student has passed and make changes to the plan as appropriate.
