

Flik at Providence Day School Catering Guide

guidelines

Flik Independent Schools Dining is pleased to present this Catering Menu developed for our beloved Providence Day School community. The guide serves only as a sampling of our catering abilities and does not reflect the full range of selections and services we can provide. Chef Daryl and our Culinary Team will gladly assist you in developing a customized menu for your next meeting or event. We look forward to serving your catering needs.

All requests must be submitted by the online Catering Request Form. This form can be found on Charger Commons under the "Toolbox" tab or the "Flik/Dining Hall" tab.

We require 24 hours notice for all orders and cancellations. Any order for groups over 50 require 72 hours notice.

Your request becomes confirmed AFTER you have returned a catering quote received from us, that includes a signature and a billing GL code.

Conditions and Service Fees:

Evening and weekends will incur an additional service charge to cover labor and service charges outside of our normal business hours. A minimum of one week notice is also required for evening and weekend events.

Please remember that the "Catering Request Form" does not secure your room or your facilities needs. A "Room Reservation" and "Facilities Request" form is also necessary.

All orders are subject to a 10% service charge.

Timing

When submitting the Catering Request Form please use "event time" as the start time for your food service. Our team will use that information to arrive with enough time to set up all food & drinks. For stations or buffet luncheons, we require access to the room an additional 30 minutes in advance for set-up.

Cancellation Policy

If an order is cancelled in less than 24 hours (72 hours for groups over 50 people), the customer is responsible for full payment of the catering order.

China

Our services include all the necessary disposable paper products for a successful event. However, for a more formal event china and silverware are available for an additional charge.

Wait Staff

Our normal charges include the set-up, delivery, and pick-up of all orders. If you wish to have a professional wait staff present for your function, the cost is \$25 per hour with a 4 hour minimum charge.
