

Honors United States History Summer Reading 2022

Mrs. Nicole Nolan

Read Chapters 5-7 of *Out of Many: A History of the American People*, our course textbook. - PDF is attached below.

- Take notes using the shared notes template at the bottom of this document, you will utilize this template for all notes this year. **Your notes should be written in your own words, not directly copied from the text.** Please get into this practice as it will be the expectation for the year. **Please MAKE A COPY of this document before starting, and share it with me.**
- For each chapter, please respond to the corresponding questions and share them with me when completed.

Chapter 5

- Compare and contrast the eighteenth-century Spanish, French, and British colonies?
- As a result of contact with European customs and ways of life, how did Indian America change?
- What were the patterns of work and class in eighteenth-century North America?
- Explain the tensions that led to the Great Awakening?

Chapter 6

- How did the Seven Years' War change the relationship between the British government and its colonial subjects?
- How did political and economic problems in Britain contribute to unrest in the colonies?
- Why did Britain take steps to punish Massachusetts for the colonists' acts of resistance, what were the punishments?
- What events led the Second Continental Congress to declare independence?

Chapter 7

- Describe the structure of the Articles of Confederation. What were its strengths and weaknesses?
- How did the Revolution affect politics within the states?
