ENROLLMENT & ADMISSIONS

In accordance with A.R.S. §15-184, ALA accepts all students who submit a timely application, unless the number of applications exceeds the capacity of a program, class, grade level, or building. Enrollment preference is given to the following students:

- Students who are children, grandchildren, or legal wards of the Board of Directors of ALA, or employees of ALA.
- Students who are siblings of a current ALA student enrolled at another campus.
- Siblings of students currently attending the same campus.
- Students who are transferring from one ALA campus to another.

ALA does not limit admission based on race, ethnicity, national origin, religion, gender, gender identity, income level, disability, English proficiency, or athletic ability.

ALA may refuse to admit any student expelled or awaiting expulsion from their previous school (*see* A.R.S. §15-184(i)).

ALA's Enrollment and Lottery Policy is available upon written request and supersedes any other previously established enrollment policy. Please refer to ALA's Enrollment and Lottery Policy for additional information.

APPLICATION PROCESS

Applications may be submitted any time. Priority will be given to applications submitted during the open enrollment period, prior to the start of each school year. Open enrollment dates for the upcoming school year will be posted on the school's website and in the front office of each campus.

Application forms can be accessed via the school's website or at the front office of each campus. All applications must be complete to be considered received. Applications will be time-stamped upon receipt.

Following notification of acceptance, students have ten business days to confirm acceptance and 30 days to submit all necessary enrollment documentation. Failure to complete the necessary documentation within this timeframe may result in loss of priority. Complete documentation is necessary to ensure proper course placement.

The enrollment process will be considered complete when parents/legal guardians have submitted an electronic enrollment form, proof of residency form, student immunization records, Proof of birth, or other required documents pursuant to A.R.S. §15-828. ALA may require parents/legal guardians to submit additional documentation including, but not limited to, custody agreements, affidavit of homeschool instruction, ESEA form, etc.

Any false statement or omission of information on enrollment documents (interest forms or enrollment forms), including falsely indicating priority eligibility, may result in revocation of enrollment offers.

AMERICAN LEADERSHIP ACADEMY

STUDENT RECORDS

In accordance with ALA's Enrollment and Lottery Policy, all documentation generated by the school via the school's Student Information System (SIS) will contain the full legal name and gender of the student as listed on the student's official birth certificate. Such documentation may include, but is not limited to, official transcripts, report cards, school correspondence, attendance reports, etc. Notwithstanding the above, school staff will, upon request, refer to the student by a nickname sanctioned by the student and his/her parents/legal guardians.

CUSTODY ISSUES INVOLVING ENROLLMENT & STUDENT RECORDS

ALA will not involve itself in custody disputes or negotiations.

If a student's parents have shared or joint legal custody of the student and they disagree about the student's withdrawal from ALA, the school will not withdraw the student until both parents come to a written agreement regarding school attendance and present the written agreement to the school.

Unless otherwise provided by a court order or law, on reasonable request, both parents are entitled to equal access to information concerning their student's education including school records. *See* A.R.S. §25-403.06(A). It shall be the responsibility of the parents to provide school officials with a current copy of any custody orders and/or parenting plans. The school will follow the most current valid documents on file.

In cases in which a person other than the parent has been granted guardianship, the legal guardian shall be responsible for notifying school officials of the conditions of the guardianship and for providing school officials with all pertinent written documentation.

REQUESTS FOR TEACHERS AND/OR CLASS

Parents/legal guardians of students attending grades 7-12 may have the option of selecting certain courses for their students. However, ALA reserves the right to make final decisions regarding student placement based on availability, class size, capacity, and other relevant factors. Requests for a teacher or core course change may be considered during the first two weeks of the semester, if the following conditions are met:

- Parent/legal guardian and teacher communication has occurred.
- Demonstrated evidence through student data that the student is struggling academically in the course.
- School Administrator approval has been obtained.

SCHEDULE CHANGES

Schedules may be changed during the first two weeks of the semester in the following instances:

- Missing a period in schedule
- Incorrect placement
- Lacking a prerequisite
- Missing a course needed for graduation
- Missing a lunch period

AMERICAN LEADERSHIP ACADEMY

Notwithstanding the above, School Administration may need to change a student's schedule due to extenuating circumstances (e.g., addition of teaching staff).

ATTENDANCE

All students are required to attend school each day school is in session. For grades 7-12, attendance is taken each period throughout the day. When a student is absent, it is the responsibility of the parent/legal guardian to notify the school by calling the appropriate school attendance phone number listed below. Parents/legal guardians must notify the school within 24 hours of the absence in order for the absence to be considered "excused." The attendance voicemail is available 24 hours per day. Sending an email directly to a student's teacher will not be considered proper notice. Failure to provide timely notice to the school will result in the absence being coded as "unexcused."

ATTENDANCE EXTENSIONS		
Campus	Phone Number	Extension
Gilbert North High School	(480) 344-9895	2276
Ironwood High School	(480) 344-9898	2012
Queen Creek High School	(480) 987-4500	1255
Anthem High School	(480) 420-2101	
West Foothills High School	(623) 288-6250	

The school will make a reasonable effort to telephone and notify the parent/legal guardian of students who are showing as unexcused.

ABSENCES

An absence will be considered excused for any of the following situations: due to an illness, doctor/dental appointments (a note may be required), religious observances, family emergencies (death, court appearance, etc.), mental or behavioral health, homelessness, time necessary to process for the armed forces, and/or out-of-school suspensions. Excused absences due to out-of-school suspension must not exceed 10% of the instructional days scheduled for the school year. Documentation is required prior to absences for religious observances; see the front office for details. Family vacations and extended holidays outside of scheduled school breaks will be considered unexcused, unless receiving prior authorization by an Administrator with plans to complete all classwork within the excused timeframe.

In order for absences relating to illness (including chronic illness), doctor appointment, bereavement, family emergencies, or Administrator approved family vacation to be counted as excused absences, the school must be notified in advance or at the time of any absence by the parent or other person who has custody of the student per A.R.S. §15-807(B). The school will document the date, reason, and person reporting the absence.

AMERICAN LEADERSHIP ACADEMY

Pursuant to A.R.S. §15-803(A)(2), in order for any of the above absences to be excused, a student who is under 16 years of age must be accompanied by a parent, guardian, or a person authorized by a parent.

According to the Arizona Guidelines and Procedures for Attendance, School Finance Manual, Revision 06-18 and A.R.S. §15-901, students absent for ten consecutive school days, except for excused absences identified above, shall be withdrawn from the school effective the last day of attendance or reported excused absence.

Pursuant to A.R.S. §15-803(B), absences, unexcused or excused, may be considered excessive when the number of absent days exceeds 10% of the instructional days. A student in grades 7-12 who is absent for 10% of instructional days for any course, per semester, (excused or unexcused) will have their education record reviewed to determine whether credit for that course will be withheld. In addition, excessive absences may result in a meeting with Administration or disciplinary action, including, but not limited to possible withholding of credit for grades 7-12, attendance contracts, and/or in-school suspension.

*Be advised, students re-enrolling in subsequent years following an Attendance Contract will lose priority enrollment status and will be relegated to enrollment as a first-year student.

*Exceptions: Absences or tardiness resulting from a chronic illness explicitly addressed on a current Chronic Illness Form and physician's note will be marked as excused absences. (This does not apply to absences or tardiness for reasons other than the chronic illness.) The school must be notified in advance or at the time of any absence by the parent or other person who has custody of the student. When notifying the school of absences, parents/legal guardians must state whether the illness is related to the student's chronic illness as documented on the chronic illness form. Chronic illness documentation needs to be provided as soon as possible to the Health Office. Parents/legal guardians must submit an updated chronic illness form for their student each academic year. Please contact the school Front Office for more information.

Students who are absent from school more than 50% of the day of an activity may not attend activities planned on that day, such as, but not limited to; sporting events, after school events/parties, or extracurricular activities.

TARDINESS

Students should be in their classroom and in their seats when class begins. Students who fail to arrive at school or class on time are considered tardy. 7-12 students arriving after their class has started may be sent to the Prepared and Ready Area ("PAR") until the start of the next class. The Dean of Students is responsible for enforcing disciplinary action against a student any time he/she is tardy. In some cases, tardy students may be marked absent. Excessive tardies, excused or unexcused, may result in detentions, Saturday school, in-school suspensions, meeting with Administrators/Attendance Contract, loss of eligibility for extracurricular activities, loss of credit for grades 7-12, or further administrative action.

A tardy may be considered excused when due to an illness, doctor/dental appointments, religious observances, or family emergencies (death, court appearance, etc.), or circumstances beyond a student's control. A note from parent/legal guardian may be required. Parents/legal guardians may be notified via email of each unexcused tardy, and, if necessary, by telephone as required by law.

AMERICAN LEADERSHIP ACADEMY

RELEASE FOR RELIGIOUS INSTRUCTION

Federal and State law allows students to be released from regular instruction for religious purposes, including participation in religious exercises or religious instruction. Students do not receive credit from ALA for religious instruction and the religious instruction must **not** take place on property owned by ALA. ALA is not affiliated with any organization providing religious instruction or exercises, and once students leave the ALA campus the school no longer has legal control over the students. However, disciplinary procedures may still apply.

Documentation, including written consent from parent/legal guardian, is required prior to absences for religious observance, see the front office for details.

CHECKING STUDENTS IN/OUT OF SCHOOL

Any student arriving late to school must be checked in by a parent/guardian or authorized representative. This also applies when checking a student out of school. School Administration will exercise caution in releasing students during the school day. If a student must be checked out of school prior to the end of the school day, parent/legal guardian is required to personally sign their student out before leaving the campus. Students who are 17 years of age or older may sign themselves out for appointments if their parent/legal guardian has emailed or called the school in advance to confirm the appointment and approve the student's early release. Parents/legal guardians must present a valid government-issued ID at the front office to verify their identity. Only authorized persons listed in Infinite Campus may check students in or out of school.

Please be aware that students who are checked out before a certain time may be marked absent for half or all of the school day in accordance with state instructional minutes guidelines. As a matter of policy, students are prohibited from leaving campus within 15 minutes of the end of the school day (unless there is an emergency).

In the event of illness, parents or emergency contacts will be responsible to pick up their student(s) immediately upon being contacted by the school health office. Please keep the school office updated with current phone numbers and emergency contact information.

STUDENTS ON CAMPUS

Under no circumstances may students remain on campus unsupervised. Per ALA policy, students are permitted on campus no earlier than 7:30 AM. If students arrive before 7:30 AM, they will not be allowed inside the building or within the gates of the campus. Students are to vacate campus after the final bell unless involved in an authorized activity such as tutoring or other after school program. Parents/legal guardians should pick up their student(s) within 20 minutes after the end of the school day. Students unaccompanied by a parent/legal guardian will be escorted to a designated waiting area. This includes siblings of students who are involved in an authorized activity but who themselves are not part of that group or activity.

CLOSED CAMPUS POLICY

Student safety is one of ALA's top priorities and therefore ALA maintains a closed campus. Students are prohibited from leaving campus for any reason during school hours or during after-school activities, unless excused or accompanied by the adult supervisor of that activity.

AMERICAN LEADERSHIP ACADEMY

Persons who come onto campus without official business are considered to be trespassing. All visitors to the school must come directly to the campus front office where they must sign in and obtain an official school visitor's pass to be worn visibly on their outer clothing. Please review ALA's Visitor Policy for more information.

DROP-OFF/PICK-UP

Parents/legal guardians are responsible for safely transporting students to and from school. Carpools are strongly encouraged. ALA is not responsible for carpools and assumes no liability for matters related to the organization, management, or execution of carpools.

Substitute Rides Home: ALA accepts no responsibility for students getting substitute rides home in their carpool. Parents/legal guardians should ensure their student(s) knows whom they are riding with before the school day begins.

STUDENT DISCIPLINE

STUDENT CODE OF CONDUCT

Students are expected to abide by all ALA policies and procedures. The discipline plan at ALA reflects the RAISE Leadership Values. Students are expected to be self-governed and to respect the rights and property of others. ALA students should conduct themselves with courtesy, refinement, and professionalism throughout the school day and any time they represent ALA in extracurricular activities, field trips, or any other school sanctioned event. Students who break this trust will be restricted from extra-curricular activities and may receive additional discipline as necessary.

PROGRESSIVE DISCIPLINE POLICY, CONDUCT & CONSEQUENCES MATRIX

School rules are designed to protect all students and foster an environment of order and discipline. It is important that parents/legal guardians and students understand the consequences of misbehavior. School Administration enforces adherence to school rules, policies, and procedures using a progressive discipline system. School Administration has discretion with respect to its enforcement authority. When considering disciplinary action, School Administration will

AMERICAN LEADERSHIP ACADEMY

seek to balance the severity of the conduct and the resulting discipline using the CCM which can be found at www.alaschools.org.

The CCM includes a list of common and/or serious student conduct violations along with a range of recommended consequences. The violations and range of consequences are meant as guidelines, unless the law or circumstances warrant imposing an alternative consequence, as determined in the sole discretion of School Administration.

Serious violations such as possession of a firearm or dangerous weapon, sexual abuse or any other abuse, possession of alcohol/illegal drugs will automatically be reported to law enforcement and/or the Arizona Department of Education.

POLICY PROHIBITING STUDENT HARASSMENT, INTIMIDATION, BULLYING, AND HAZING

Students are prohibited from harassing, intimidating, bullying, or hazing other students on school grounds, school property, school buses, at school bus stops, at school sponsored events and activities, and through the use of electronic technology or electronic communication equipment on school computers, networks, forums or mailing lists.

All students, teachers and staff shall take reasonable measures within the scope of their individual authority to prevent violations of this policy.

DEFINITIONS

HARASSMENT: Intentional disruptive or threatening behavior by a student to another student; includes, but is not limited to, stalking, hazing, social exclusion, name calling, unwanted physical contact, unwelcome verbal or written comments, photographs and graphics; harassment, direct or indirect, may be related, but not limited to, race, religious orientation, sexual preference, cultural background, economic status, disability, size, or personal appearance.

INTIMIDATION: Intentional behavior by a student or group of students that places another student or group of students in fear of harm of person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by use of social media.

BULLYING: Unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying behavior is meant to hurt another person and is carried out by someone who is seeking power or control over another person. There are multiple forms of bullying – physical, emotional and social. These can be carried out in person or through cyberbullying. Any bullying, on or off campus, which disrupts the learning environment will receive an immediate consequence – up to and including expulsion.

CYBERBULLYING: Any act of bullying committed by use of electronic technology or electronic communication devices, including telephonic devices, social networking and other Internet communications on school computers, networks, forums and mailing lists, or other District-owned property, and by means of an individual's personal electronic media and equipment.

HAZING: Any intentional, knowing or reckless act committed by a student, whether individually or in concert with other persons, against another student, in which both of the following apply: (1) The act was committed in connection

AMERICAN LEADERSHIP ACADEMY

with an initiation into, an affiliation with or the maintenance of membership in any organization that is affiliated with an educational institution, and (2) The act contributes to a substantial risk of potential physical injury, mental harm or degradation or causes physical injury, mental harm or personal degradation.

A person is considered a "student" who has enrolled, who has been accepted for enrollment, or intends to enroll within the next 12 calendar months. This policy applies to all students until graduation, transfer, promotion, or withdrawal from the school.

"Organization" means an athletic team, association, order, society, corps, cooperative, club or other similar group that is affiliated with ALA and whose membership consists primarily of students enrolled at ALA.

PROCEDURES

Pupils and parents/legal guardians may make confidential reports to the Dean of Students, or any other professional staff member, of any incidents of harassment, intimidation, bullying, or hazing. ALA Staff are required to notify the campus their Dean of Students of harassment, intimidation, bullying, or hazing. Staff members shall preserve the confidentiality of those involved and may only disclose the incident to the Dean of Students, or other supervisor, or as otherwise required by law. Any instance of reported or observed hazing which includes possible child abuse or violations of state law known to the staff member shall be treated according to relevant state law and reported to a law enforcement agency. Staff members may be subject to disciplinary action for failure to timely report allegations or observations of harassment, intimidation, bullying, or hazing to the Dean of Students.

The Dean of Students, in consultation with the Campus Director or Assistant Director, will determine whether an alleged act constitutes a violation of this policy. The Dean of Students shall conduct a prompt and thorough investigation of the alleged incident, including but not limited to meeting with the person who reported the incident. The Dean of Students may conclude that the alleged violation occurred or did not occur, or that the evidence is inconclusive. Once the investigation has been closed, the Dean of Students will meet with the person who reported the alleged incident to discuss the investigation and conclusions. Appropriate action, including any disciplinary measures, will be taken if the allegations are validated. Confidentiality of records and student information related to disciplinary actions, if any taken, shall be observed in the process of meeting with the person who reported the incident. The campus shall submit a written report of the findings to the district office. If the campus concludes that the alleged violation did not occur or that the evidence is inconclusive, no written report of the matter will be maintained in a student's file.

Persons that disagree with the Dean of Students' determination may appeal his/her decision by submitting a written appeal to the Charter One Division President, who shall review the written appeal and issue a final determination in a timely manner.

CONSEQUENCES

Hazing is prohibited and will not be tolerated.

Any solicitation to engage in hazing is prohibited and will not be tolerated.

Aiding and abetting another person who is engaged in hazing is prohibited and will not be tolerated.

It is not a defense to a violation of this policy that the hazing victim consented to or acquiesced in the hazing activity.

AMERICAN LEADERSHIP ACADEMY

Students who commit acts of harassment, intimidation, bullying, or hazing will face consequences up to suspension or expulsion. When considering disciplinary action, the Director or Assistant Director will seek to balance the severity of the conduct and the resulting discipline using the *Conduct & Consequences Matrix* (CCM) which can be found at www.alaschools.org. All suspected violations of law will be reported to local law enforcement.

Disciplinary action may result for acts of intimidation, harassment, bullying, or hazing which occur outside of the school and the school day when such acts result in substantial physical, mental, or emotional negative effect on the victim while on school grounds, school property, school buses, at school bus stops, or at school sponsored events and activities, or when such act(s) interfere with the authority of ALA to maintain order.

ALA prohibits retaliation against any person who reports an act of harassment, intimidation, bullying, or hazing. Students that engage in retaliation for reported violations of this policy will be subject to appropriate disciplinary action per the CCM.

An organization that knowingly permitted, authorized or condoned harassment, intimidation, bullying, or hazing activities will face revocation or suspension of the organization's permission to conduct operations at ALA.

Any teacher or staff member who knowingly permitted, authorized or condoned the harassment, intimidation, bullying, or hazing activity is subject to disciplinary action up to termination.

SEARCH & SEIZURE

School Administrators have the authority to conduct searches when they have a reason to suspect that the search will uncover evidence that a violation of school policy has occurred or that a law has been violated. Administrators may search student desks, cell phones, computers/laptops, tablets, smart watches, other electronic items, lockers, backpacks, vehicles, purses, or other personal belongings when reasonable suspicion exists and in order to determine if a school violation has occurred or a law has been broken. Items provided by ALA for storage (e.g., lockers, desks) of personal items are provided as a courtesy to the student but remain the property of the school and are subject to its control and supervision. Therefore, students have no reasonable expectation of privacy in relation to those items.

UNIFORM DRESS CODE POLICY

In accordance with A.R.S. §15-342(22), ALA's school governing board requires students to wear approved dress code items to school to support the school's mission. Compliance with the uniform dress code is mandatory. To attend class, all students must be in compliance with all aspects of the Uniform Dress Code Policy. Furthermore, the Uniform Dress Code Policy applies when students are riding the school bus and when attending extra-curricular events.

In general, students must present a clean, modest, and neat appearance. Clothing must be worn right side out, of appropriate size and worn correctly. Clothing shall not have holes or be intentionally torn. Clothing items must be one solid color.

Throughout the school day and at extracurricular events, ALA Staff will conduct a dress code check to ensure the students are in compliance. ALA Staff have authority to determine whether clothing is inappropriate or a distraction.

AMERICAN LEADERSHIP ACADEMY

When students are deemed to be out of compliance, the following discipline policy will apply, at the discretion of ALA Staff:

- The school may notify parents/legal guardians and require parents/legal guardians to bring compliant clothing to school for their student(s); and/or
- Students may receive a yellow card; and/or
- Repeat violations will result in further school discipline; and/or
- Consequences described in the Conduct & Consequences Matrix (“CCM”)

Exceptions to the Uniform Dress Code Policy may be granted for medical necessity, religious or cultural beliefs, provided that justification is submitted to and approved by campus administration. Standard ALA dress-code is acceptable. Likewise, dress-up days are a privilege, not a right. If student(s) are not appropriately dressed, they will be denied admittance to the event.

ACADEMICS

The curriculum at ALA is fully aligned to the Arizona K-12 State Standards. To view the Arizona academic standards, please visit the Arizona Department of Education website at <http://www.azed.gov/standards-practices/>. The curriculum for American Leadership Academy is updated frequently based on changes to state standards, as well as input from teachers and student assessment outcomes. If you have any questions regarding your student’s curriculum, please contact your student’s teacher or your campus administrator.

MATHEMATICS INTERVENTION PROGRAM - GRADES 7-9

Students who score below proficient in grades 6-8 in mathematics on the statewide assessment will be provided with an intervention the following school year to improve overall competency in mathematics. This crucial mathematics intervention is offered through the Success Lab course in grades 7-9 where students receive personalized learning through ALEKS, a research-based, adaptive mathematics software. Parents will be informed of their student’s placement into the Success Lab course once statewide assessment results are released. Placement into this course may require schedule changes. Questions related to the mathematics intervention program should be directed to campus administration.

Lexile Reading Level: As part of our reading intervention and enrichment program, students in grades K-12 are assessed on reading fluency and comprehension and provided with a Lexile reading level. For more information on Lexile levels, please visit: <https://lexile.com/>.

AMERICAN LEADERSHIP ACADEMY

ACT: In preparation for college, ALA offers the ACT test once per year (during the spring) to the current 11th grade students. Students will prepare for the ACT throughout the year by utilizing ACTAcademy.org as well as other preparatory tests in Illuminate.

Final Exams: Students may not take final exams prior to the time they are scheduled. Students who are absent during semester final exams will receive a zero for the exam. In order for the grade to be changed, students must take the exam within ten school days of the start of the next semester, as arranged through administration.

INSTRUCTIONAL TIME

ALA teachers maximize the effective use of every minute of instructional time. Please help minimize distractions during instructional time by leaving messages, money, materials, etc., with the front office. The front office will deliver all messages and materials to students. Only in instances of extreme emergency will front office staff interrupt core instructional time to deliver a message or materials. Please schedule your student's personal appointments outside of the instructional day.

If you require assistance with obtaining a paper copy of a grade report, please contact your Student Services Department (7-12).

AMERICAN LEADERSHIP ACADEMY

HOMEWORK

ALA believes that meaningful homework is integral to the learning process and should be provided at all grade levels for the following purposes:

- To provide additional practice on previously learned skills
- (For example: completing math drills & problem sets, reading, researching and/ or writing).
- To enrich the learning experience
- (For example: sharing ideas with parents/legal guardians or using creative thought to complete a project or assignment).
- To provide students the opportunity to complete unfinished class assignments or make-up work due to absences.

Your student's teacher will provide clear expectations on all homework assignments. Concerns related to homework should be directed to your student's teacher and campus administration.

MAKE-UP WORK

Homework that is due the day that a student is absent is due upon return. Assignments missed due to an absence will be given an equal number of school days to complete assignments. Missed assignments may be picked up at the end of the school day. Students or parents/legal guardians must request make-up work 24 hours in advance of pick-up.

TEST RETAKES

All students will be given multiple opportunities to demonstrate proficiency with all Priority Standards for each class, recognizing that students learn at different rates and times.

For a student to retake a specific assessment, either in whole or in part, the student needs to:

- Demonstrate readiness to retake, through a study plan, additional practice, and/or parent communication (A study plan may vary teacher to teacher, but needs to include the priority standard(s) being reassessed, and identify what practice or additional study the student needs to do before retaking the assessment)
- Work with the teacher to schedule a time to retake the assessment at a time that will best meet the needs of both the teacher and student (Such as during class, before or after school, or during lunch)
- Retake the assessment within the unit it was first given (exceptions will be made for extended absences or other exceptional circumstances)

Please note the following:

- Retakes of specific assessments must allow students to demonstrate mastery of the standard, not memorization of a previous assessment (students will not just be given the same test again)
- Teachers will provide reteaching for both retakes and additional assessments

TUTORING

Teachers are available before and after school to assist with assignments. Please contact your student's teacher for a

AMERICAN LEADERSHIP ACADEMY

specific time to meet, as needed.

PROMOTION

Students at the Junior High level will be promoted if they are able to succeed at the next grade level. School Administration and the classroom teacher(s) will work closely together when formulating recommendations for students. Recommendations will be formulated using the following information:

- Age
- Maturity
- Attendance
- Mastery of grade level standards
- Course grades

RETENTION

If a teacher notices a significant decline in academic progress, they will first contact the student to review any issues with them. If the student continues to show a decline in progress, the teacher will contact the family and put together an academic plan to get the student back on track. Teachers may require additional tutoring sessions be established. If it is in the best interest of the student to be retained, the parent/legal guardian, teacher and School Administration will work in close cooperation to set up the student for success in the next school year. Ultimately, the teacher will have final say on whether the student will be retained.

Such decisions, when applied to students enrolled in special education, shall be on a case-by-case basis, consistent with the student's individualized education plan and relevant federal and state law.

ACCELERATION

Grade placement acceleration will be decided on a case-by-case basis after careful consideration of facts relating to the student's growth and development. Grade acceleration must be approved by the Campus Director and shall be based on:

- The best interest of the student;
- Sufficient data collected over time and related to the student's academic achievement level, physical development, social development, and mental abilities; and
- Close cooperation between the parents and relevant school staff.

The Campus Director shall have final say on decisions regarding the acceleration of students. Parental consent to grade acceleration should be in writing and maintained in the student's educational file. If a parent disagrees with the Campus Director's decision regarding grade acceleration, they may appeal the decision to the Chief Academic Officer.

AMERICAN LEADERSHIP ACADEMY

CREDIT RECOVERY COURSE PLACEMENT

Prior to enrollment in a credit recovery course, students must have demonstrated a minimum of 90 hours of seat time in the traditional course. Students who were absent for more than 10% of the traditional course will not be placed into a credit recovery course but will be expected to retake the traditional course.

POST-SECONDARY CREDIT

American Leadership Academy will accept credits from accredited colleges and universities. Each college course will count as 0.5-1.0 credit toward High School graduation requirements and will be granted honors credit if (1) the course is a 100-level course or above, and (2) the course is a minimum of 3 credit hours. The number of credits awarded will be determined by the Assistant Director of Student Services in conjunction with the District Academic Department. ALA, at its discretion, may require a student to demonstrate content area proficiency in courses prior to accepting/granting credit. Students are responsible for providing a certified transcript when applying for High School credit.

Post-secondary credits may be used toward core, CTE, Fine Arts, and elective graduation requirements. School administration shall use course competencies and descriptions to determine course credit category. Students are responsible to review all courses with school administration to ensure courses meet all graduation requirements. CLEP exams are also eligible for High School credit and will be treated as post-secondary course credit.

HOMEBOUND INSTRUCTION

ALA provides access to a certified teacher as well as core content for students who are eligible for homebound instruction. To be eligible, a homebound application must be completed to include certification from a physician (MD or DO) that a student will be absent for three months or more due to a medical condition. If you believe that your student is eligible for homebound instruction, please contact your campus administrator.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are held once in the first semester. During this time, parents/legal guardians are provided with the opportunity for a one-on-one meeting with their student's teacher to discuss progress, celebrations, and concerns. In the second semester, student-led conferences are held to allow students the opportunity to discuss their progress and celebrations with their parents/legal guardians and teachers. Parents/legal guardians that are concerned about their student's progress may schedule a meeting with their student's teacher and campus administration prior to or in-between these conference dates.

AMERICAN LEADERSHIP ACADEMY

STUDY ABROAD PROGRAMS

ALA recognizes that Study Abroad programs provide enriching opportunities for ALA students to broaden their understanding of other cultures and countries. Although ALA does not sponsor study abroad programs, such programs/trips may be arranged through other organizations and may be organized and/or led by an ALA staff member.

All fees related to the Study Abroad program must be paid directly to the organization sponsoring the trip. Staff may not collect or hold payments relating to any study abroad program. ALA staff are prohibited from promoting, discussing, or managing a study abroad program during school hours. Notwithstanding, ALA staff may announce one Informational Meeting and informational material may be posted on campus. Fundraising through the school and use of tax credits for study abroad programs is prohibited; and providing class credit for the study abroad program is prohibited.

ALA does not sponsor or endorse these trips, accepts no responsibility for its conduct or operation, and employees participating in the organization or conduct of these trips are not acting on behalf of ALA. ALA accepts no responsibility for the trip or the acts or omissions of any participant, and ALA will not be liable for any claims based upon Study Abroad programs.

GIFTED STUDENTS

The gifted services provided at American Leadership Academy strive to maximize gifted students' potential, develop individual talents, and challenge these students throughout the school day. Students who are identified as gifted at the 7th -12th grade levels have the opportunity to enroll in Honors, Advanced Placement, or Dual Enrollment classes according to their cognitive strengths. These courses allow for accelerated learning within each specific content area. In addition to accelerated courses, gifted students have benefitted from grade promotion when appropriate.

For additional information about ALA's gifted program, please contact the student services department or academic assistant director at your campus.

ENGLISH LEARNER ("EL") PROGRAM

ALA's EL program serves students who are second language learners and need assistance learning English. Additional support is provided to EL students in the areas of listening, reading, writing, and speaking. Eligibility for EL services is determined using information provided by the parent/legal guardian or teacher as well as results from the English Learner state assessment ("AZELLA"). For additional information about ALA's EL program, please contact the EL teacher at your campus.

STUDENTS WITH DISABILITIES

American Leadership Academy provides special education and related services to students who qualify for services based on data collected through the Multidisciplinary Evaluation Team (MET) process. Parents and school team

AMERICAN LEADERSHIP ACADEMY

members work together to determine a student's eligibility and to develop an Individualized Education Plan (IEP) if appropriate. IEP teams, including parents, determine the least restrictive environment for each student. The goal is to ensure students are in the general education classroom as much as possible, and ultimately that students no longer require special education services. As such, ALA provides a full continuum of services to ensure each student's needs are met. If parents have questions regarding special education at their campus, please contact your child's teacher.

CHILD FIND

Child Find is a component of the IDEA. Child Find is the ongoing obligation of American Leadership Academy to locate, identify, and evaluate all students with disabilities who are in need of special education and related services within the enrolled population of the school.

Special education services are available for school-aged children in kindergarten through the age of 21, including specialized instruction and services to assist students in the education environment. Contact your local public school if you have a school aged student that you suspect may have a disability.

STUDENTS WITH DISABILITIES PROTECTED BY SECTION 504

Section 504 of the Rehabilitation Act is a civil rights statute designed to help prevent discrimination against individuals with disabilities and to assure that students with disabilities have educational opportunities and benefits equal to those provided to non-disabled students. In any program offered by ALA:

- A student is protected by Section 504 if he/she has or has had a physical or mental impairment that substantially limits a major life activity, has a record of such impairment or is regarded as disabled by others.
- ALA will identify, evaluate, and provide a free appropriate public education to all qualifying students with disabilities under Section 504.
- ALA will ensure that no otherwise qualified individual with disabilities, shall solely by reason of his or her disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any ALA program or activity.

If you believe that your student has a disability that would qualify him or her for Section 504 protections, contact the Section 504 coordinator on your student's campus. For more information, please contact the ESS Department at the district office: (480) 420-2101.

HEALTH AND MEDICATION

HEARING AND VISION SCREENINGS

The purpose of various screening programs conducted in schools is to identify students who may have a potential problem which could negatively affect their learning or overall health and to then refer these students for necessary follow-up care.

AMERICAN LEADERSHIP ACADEMY

Hearing and vision loss may interfere with a student's ability to learn and function in society. State and federal laws, including A.R.S. §36-899.01-.10, require that schools establish hearing evaluation and vision screening programs to identify students in need of further hearing evaluation, vision screening, and appropriate intervention.

State requirements mandate grades Pre-K, KG,1,3,5,7,9, all Special Education students, all new students, all students who failed a screening the previous year, and all students repeating a grade be hearing screened each year. ALA will have trained personnel or will contract with a certified company to perform all hearing screens and re-screens. Parents/legal guardians will be notified of the screening results. Students that do not meet the passing criteria during a screening will receive a Hearing Follow-up Letter for Referral which encourages them to see their health care provider for further evaluation.

State law requires ALA to provide vision screening services to students in grades prescribed by the Department of Health, students who receive or are being considered for special education services and who have not been screened in the last year, students who are not reading at grade level by third grade, and students who have not been screened in the last year and whose teacher has made a request for the student to be screened. Vision screenings will be done by a contracted company, school nurse, volunteer, or other school employee who has undergone training. As with hearing screening, the vision screening process involves screening, re-screening as necessary, referral as necessary, follow-up, and implementation of any necessary student accommodations. Parents/Legal Guardians of students who do not pass a screening will be notified of the results and will receive a Vision Follow-up Letter for Referral which encourages them to see their health care provider for further evaluation. Vision screening is not equivalent to a comprehensive vision examination, which only an eye care professional can provide.

A Hearing & Vision Opt-Out Form is available on the school website under Enrollment Forms and is included in the enrollment process. Parents/legal guardians have a right to refuse the hearing and vision screens.

ILLNESS ADVISORY

ALA appreciates your cooperation in maintaining a healthy school environment. The health and safety of our students is of utmost importance therefore we request the following of all our ALA families. To minimize the spread of contagious disease we ask that each morning prior to bringing your student to school you do the following: Take your child's temperature, look for signs of being ill such as being more tired than usual, sluggish, fever, headache, complaints of sore throat, new onset of cough, shortness of breath, chest pain, aching joints and muscles, loss or change in smell and taste, and any new unidentified rashes. Please do not send your student to school if they have any of these symptoms. We also ask that if you are contacted to pick your student up from school for any of the listed ailments, you or a designated emergency contact pick your student up as soon as possible but no more than 1 hour after being notified.

Please keep your student home from school if they have any of the following symptoms:

Lice: Students with lice should **NOT** attend school until they have been treated. Before returning to class, the student along with the parent/legal guardian must do a lice check with the Health Aide.

COVID Like Illness and COVID 19:

Students with new onset of symptoms or who have been sent home from school for symptoms consistent with COVID-19 or Influenza, should follow up with their health care provider.

Students and staff being treated for COVID-19 may not return to school until:

- a minimum of 5 days from the onset of the illness has passed, and
- they have been symptom free without use medications for 24 hours and other symptoms are improving,

Authorized school personnel must review each student's immunization record(s) prior to or at the time of attendance. Students must obtain required immunization(s) or sign a medical or personal belief exemption form prior to attending school or they may be excluded until (s)he is compliant with the requirements. If a student requires more than one dose of a specific type of vaccine, the student may continue to attend school during the minimum interval between doses. In the event of an outbreak of a vaccine-preventable disease, students who are exempt may be excluded from school until the risk period of exposure ends.

Varicella (Chickenpox): Students attending school in Arizona prior to 9/1/2011 with parental recall of chickenpox disease are allowed to continue attendance with parental recall of disease. Students enrolling for the first time after 9/1/2011 are required to present proof of varicella immunization or a valid exemption for medical reasons, laboratory evidence of immunity or personal beliefs. Parental recall of disease will not be accepted.

Please provide proof of completion of these immunizations to your campus health office as soon as possible.

STUDENT MEDICATIONS

Use or administration of medication on school premises may be disallowed or strictly limited if it is determined by the Campus Director, in consultation with medical personnel, that a threat of abuse or misuse of the medicine may pose a risk of harm to a member of the student population.

For occasions when it is necessary for a student to receive medication during the school day, the following procedure has been established to ensure the protection of the school and the student and to assure compliance with existing rules and regulations:

- Each medication, including prescription, non-prescription/over-the-counter, and naturopathic to be given to a student at school must be kept in the health office in the original container in a locked medicine cabinet.
- Each medication, including prescription, non-prescription/over-the-counter, and naturopathic to be given to a student at school must have a completed medication packet. The packet contains the following information: student's name, name of the medication, route of administration, dosage, and time of day to be administered.
- All medication packets/forms are to be completed ANNUALLY for each academic year. Appropriate forms are available at each campus' health office.
- In the case of a minor student, administration of a prescription medication shall only occur on the written request or authorization of a parent or legal guardian, except in the case of an emergency.
- The parent/legal guardian must sign-in the medication at the campus health office. Each prescription medication must be provided by the parent in the original pharmacy container, labeled with the student's name, date, medication, dosage, time and directions for administration at school, the prescription number, and the prescriber's name. Students are prohibited from dropping off medication.

AMERICAN LEADERSHIP ACADEMY

- Written directions for administration at school from the physician or pharmacist must be provided and must include the name of the patient, the name of the medicine, the dosage, and the time it is to be given.
- Alternate route medications, other than oral, will need to be approved on a case-by-case basis by the Health Director.
- School Administration may designate a school employee to administer the medication if that employee has completed Health Aide Training.
- Two (2) or more school employees may volunteer to serve as diabetes care assistants in an emergency as follows:
 - The parent/ legal guardian must provide the school with an unexpired glucagon kit prescribed for the student by an appropriately licensed healthcare professional or nurse practitioner.
 - The parent/legal guardian supplying glucometers for diabetic students will ensure they are in proper working order and be responsible to maintain the glucometer and run controls per the recommended guidelines of the manufacturer.
 - The volunteer diabetes care assistant must provide ALA with a written statement, signed by an appropriately licensed health professional, that the voluntary diabetes care assistant has received proper training in the administration of glucagon, including the training specified in A.R.S. §15-344.01.
 - A school employee shall not be subject to any penalty or disciplinary action for refusing to serve as a voluntary diabetes care assistant.
- ALA, employees of ALA, and properly licensed volunteer health professionals and nurse practitioners are immune from civil liability for the consequences of the good faith adoption and implementation of policies and procedures pursuant to ALA policy and this regulation.
- Each administration of medication must be documented, making a record of the student having received the medication.

SELF-ADMINISTRATION OF PRESCRIPTION DRUGS

Students are not permitted to have medications in their possession--with the exception of Asthma inhalers, EpiPens or diabetic supplies/medications, for which written permission has been given by the child's physician and parents. Appropriate forms are available in the school Health Office and through the online registration process.

The student must be able to demonstrate mastery of when it is indicated to administer the medication, how to properly administer it and what the adverse reactions are as well as what actions would need to be taken in case of an adverse reaction. Students possessing authorized self-carry medications may not distribute or dispense medications to others.

AMERICAN LEADERSHIP ACADEMY

The student shall take extraordinary precautions to keep secure any medication or drug, and under no circumstances shall make available, provide, or give the item to another person. The student shall immediately report the loss or theft of any medication brought onto the school campus. Violation may subject the student to disciplinary action.

OVER-THE-COUNTER MEDICATION

When it is necessary for a student to receive a medicine that does not require a prescription order but is sold, offered, promoted, and advertised to the general public, the following procedures have been established to ensure the protection of the school and the student.

ADMINISTRATION OF OVER-THE-COUNTER MEDICATION BY SCHOOL PERSONNEL

Written permission must be provided by the parent or legal guardian for the administration of specific over-the-counter drugs. These may be indicated during the enrollment process in Infinite Campus. If there is no permission from the parent/guardian on file, the parent/guardian will be contacted prior to administration of medication. Permission updates may be added in the Infinite Campus Parent Portal.

Any over-the-counter drug or medicine sent by the parent/legal guardian to be administered to a student must come to the school office in the original manufacturer's packaging with all directions, dosages, compound contents, and proportions clearly marked. OTC medications will not be administered if expired.

These medications will be dispensed to students who have written permission from a parent or guardian, as needed, for a maximum of three consecutive days. To ensure that use of this medication is not masking symptoms of a serious condition in the student, a healthcare provider's order must be submitted to the school health office for administration beyond this three-day period.

An administrator may designate a trained school employee to administer a specific over-the-counter drug.

Each instance of administration of an over-the-counter drug must be documented in Infinite Campus.

Over-the-counter drugs must be kept in their original containers in a locked medicine cabinet in the Health Office.

DISTRIBUTION OF MEDICATION

Students possessing authorized over-the-counter medications may not distribute or dispense medication to others. Only students with a valid self-carry form for epinephrine, Asthma inhalers or diabetic medications will be provided exception. Failure to comply will be subject to the appropriate consequences under the CCM.

TEXTBOOK POLICY

Textbooks are assigned to students for the current school year only. Students are responsible for proper care of all books. Textbooks will be collected at the end of the year and are expected to be in good condition. Students will be charged for books damaged beyond normal wear. Books must be returned to ALA if a student withdraws from the school. Report cards may be withheld until all books are returned and/or fees paid.

AMERICAN LEADERSHIP ACADEMY

SCHOOL FEES

All fees (busing, extra-curricular activities, course fees, lunches, and athletic fees) will be collected prior to participation in the event or activity. Failure to pay fees will result in removal from the program. Students with unpaid fees may be designated as ineligible to participate in extracurricular activities until fees are paid. Fees may be paid by cash, check or online via Infinite Campus. Administration may waive fees, as appropriate, if enforcing the fees presents an economic hardship.

TAX CREDITS

The Arizona Public School Tax Credit is a program that allows Arizona taxpayers to contribute to the public school of their choice and receive a dollar-for-dollar credit on their state taxes. Married couples can donate up to \$400 and single filers can donate up to \$200 and receive the full credit from their state tax liability.

Tax Credit contributions support qualified programs and school supplies listed under ARS 43-1089.01, including but not limited to extra-curricular and athletic programs, including but not limited to field trips; acquiring capital items, including but not limited to furniture, furnishings, athletic equipment and other equipment, computer software, pupil and non-pupil transportation vehicles and equipment, textbooks and related printed subject matter materials adopted by the governing board, instructional aids, library books, administration emergency needs that are directly related to pupils; community school meal programs; student consumable health care supplies; and playground equipment and shade structures for playground equipment.

Every Arizona taxpayer can take advantage of the Arizona Public School Tax Credit and support ALA. **ALA asks every family to donate their Tax Credit and to invite their network of friends and family to do the same.** For more information, please contact your campus front office or visit the school website at <https://www.alaschools.org/tax-credit>.

EXTRACURRICULAR ACTIVITIES

Students at ALA have an opportunity to participate in a variety of extracurricular activities including, after-school sports, intramurals, fine arts, supplemental education programs, or other activities where there are a sufficient number of interested students and coaches/faculty to supervise. A list of extracurricular activities available at each campus may be found online at www.alaschools.org, or at the front office of each campus.

It is expected that ALA students will maintain acceptable behavior and abide by the Code of Conduct any time they participate in extracurricular activities, including but not limited to field trips, sports competitions, Fine Arts performances, etc. Failure to do so may result in suspension from extra-curricular activities and possible further consequences per the CCM. Additionally, in order to be eligible to participate, students are required to maintain a grade point average above 2.0, including no failing grades, and to adhere to the policies and procedures of the relevant governing league/ruling body. Additional information can be obtained by extracurricular program leads and, for athletics, can be found online at <https://alagnathletics.com>, <https://alaiwathletics.org>, <https://alacathletics.org> or other [campus athletic websites](#).

AMERICAN LEADERSHIP ACADEMY

All extracurricular activities require participants to pay a requisite fee. A list of fees and fees waivers are available at the front office of each campus. Students with unpaid fees may be designated as ineligible to participate in extracurricular activities until fees are paid.

FIELD TRIPS

Field trips are selected and approved when they support the learning outcomes within the classroom. Each student will be required to submit a signed parental permission slip and pay any necessary fee prior to the date of the field trip. Fee waivers are available at the front office. If a student is marked absent for that day, they will not be allowed to go on the field trip. Field trip refunds are not available. Students must ride the bus back to the campus at the end of the field trip before being allowed to sign out of school. Unless otherwise directed by teachers or administrators, students shall wear ALA uniform dress code for all field trips.

Chaperones may be charged an entrance fee to the activity if applicable. Siblings will not be allowed to attend the field trip with the chaperones. Chaperones may not be alone with students unless they are the parent of the student or possess and provide to ALA a valid IVP fingerprint clearance card.

All overnight field trips must have two or more leaders present and a student should never be alone with an adult that is not their parent. All chaperones must possess either a current IVP Fingerprint Clearance Card and background check to participate in an overnight field trip. Leaders may not be of the opposite sex unless the total number of chaperones exceeds two or they are a husband/wife team. Students may not lodge in the same room as leaders. Leaders of the opposite sex may not lodge in the same room unless they are married.

DANCES

Student I.D.s must be presented at the door. Students who do not have their Student ID, will not be admitted to the dance. Students who leave a dance will not be readmitted. Students may not loiter near the door or on the grounds during school dances. Students should dance in an appropriate manner. Students who dance inappropriately will be asked to leave and their entrance fee will not be refunded.

Guests are allowed at select high school dances only (e.g., Prom or Homecoming). Guests must have a pass signed in advance by School Administration. Guests will only be allowed at the Administration's discretion. Guests must be enrolled in grades 9 or higher, must not have graduated more than one year prior to the current academic year, and may not have reached their 21st birthday. Guests under 18 years of age must have a guest pass signed by their school administration, their parent/legal guardian, and ALA administration. Guest passes may be requested at the campus front office.

Dance guidelines will be announced prior to the date of the dance.

Junior High (JH) students should arrive within the first hour of the dance, and once having been admitted, the students may not leave early unless they are accompanied by a parent/legal guardian. Activities/dances are approximately two (2) hours in duration. Parents/legal guardians are responsible to pick up students within 15 minutes after the dance. If parents/legal guardians do not assume this responsibility, the student will not be permitted to attend the next dance.

AMERICAN LEADERSHIP ACADEMY

JH dances are open only to students attending at their home school and admission must include the presentation of the student ID card.

FOOD SERVICES

ALA is committed to providing students access to healthy meals that meet the nutrition standards set forth by the Arizona Department of Education. It is the responsibility of parents/legal guardians to provide their students with a lunch. Lunches may be purchased from the school or brought from home. Menus can be found online at the school website or at the front office. ALA has a closed campus policy which means students are prohibited from leaving campus for lunch.

The cafeteria serves hot lunches, a la carte, prepared salads and cold lunch choices for all students who wish to buy food at the school. Prices vary based on the food item.

Students who choose to purchase school meals may set up an account and pay online via IC at: <https://azcloud1.infinitecampus.org/campus/portal/ala.jsp>. Debit and credit card transactions can only be accepted online via IC/Parent Portal. Deposits online to cafeteria accounts may take up to 24 hours to be recorded. The student ID card serves as the student's cafeteria meal card. ALA prohibits students from using another student's account to buy food.

Students may also submit cash payment to campus front office staff. Students are encouraged to give their lunch money to the front office staff in the morning, so the money can be put into their account before lunch time. Cash and personal checks will be accepted at the register at the high school campuses only.

FOOD ALLERGIES

ALA is not an allergy-free school or a nut-free school. Food allergies must be reported to the front office. Students with severe allergies should complete an allergy action plan, which is available at the Health Office. Any questions or concerns regarding school lunches should be directed to the food service manager for that specific campus.

AUDIO AND VIDEO RECORDING POLICY

Particular care is to be given to requests for authority to record audio or video at ALA campuses, offsite at ALA organized events, and over the phone between members of the community. The purpose of this policy is to set forth expectations regarding the recording of classes, meetings, or other conversations at ALA campuses, offsite at ALA organized events, and over the phone between members of the community. CONFIDENTIALITY OF STUDENT RECORDS

ALA maintains student records for all students, including students with disabilities. In order to release records or personally identifiable information, parental consent or consent of an eligible student who has reached the age of majority under state law must be obtained before any information is released, except as permitted under the Family Education Rights and Privacy Act (FERPA). Confidentiality of personally identifiable information is protected by ALA at the collection, storage, disclosure, and destruction stages. Destruction of any education records of a student with a disability is done in accordance with IDEA regulatory requirements. For more information or to file a complaint, contact the Director of Exceptional Student Services at (480) 420-2101
