## Treasurer's Update

The Canton Local Schools Board of Education recently approved the five-year financial forecast presented by Treasurer **Jason Schatzel**. As required by law, all school districts across Ohio must create a financial five year forecast in October of every year and an updated forecast in May which includes three years of actual and five years of projected general fund revenues and expenditures. Not only is it an important financial planning tool, but it also offers community members an open and honest review of school district finances and operations. The Canton Local five-year forecast is available on the district website at [www.cantonlocal.org/treasurer](http://www.cantonlocal.org/treasurer).

## Superintendent's Message

As we close the 2021-2022 school year, I want to take a moment to say thank you to our staff, students, families, and community members for a great first year at Canton Local Schools.

I know that this year was not without challenges, but time and time again everyone came together to make this year a success.

I am so grateful to work with so many dedicated professionals who are committed to meeting the needs of our students. I am also very appreciative of all of the support that we have received from our families and community. Canton Local is truly a great place to be, and I am very proud to be a Wildcat.

**Brett Yeagley, Superintendent**

Congratulations to our retirees: **Ann Bleau, Jodi Forshey, Mark Gamertsfelder, Dave Greene, Kimberly Rauschenbach, Joe Shortt** and **Marie Yoder**. Together they equal 204 years of service to our District. We are fortunate to have many staff members dedicating so much of their careers to serving the students of Canton Local.

Congratulations to our seniors who have finished a memorable high school career and are now graduated from Canton South High School. I am proud of our students and wish them the best as they enter the next chapter of their lives and enter the workforce, enroll in college or enlist in the military.

I am excited for the coming school year as we open the new Canton South Middle School and transition our preschool through fifth-grade students into Faircrest Memorial Elementary School. We will continue to find ways to honor our past while celebrating new traditions.

I hope you will join us on Saturday, July 30 at 1:30 pm for the ribbon-cutting ceremony and open house at Canton South Middle School.

Thank you for the opportunity to serve you, your children and the Canton Local community. Have a great summer and Go, Wildcats!

L-R: Canton Local Rookie of the Year, Ali Fell (FMMS) and Teacher of the Year, Aimee Salapack (Walker)

## District Honors Teacher, Rookie of the Year

Each year, the Stark County Educational Service Center recognizes a Teacher of the Year and Rookie of the Year from the districts in Stark County. Congratulations to Canton Local Teacher of the Year, **Aimee Salapack** (Walker), and Rookie of the Year, **Ali Fell** (FMMS)! The pair will be recognized at the district's annual convocation event in August. A banner honoring both teachers will be displayed at the entrance of their respective buildings

**Alexandra (Ali) Fell** is the 7th and 8th grade school counselor at Faircrest Memorial Middle School. Ali consistently demonstrates an attitude of patience, acceptance, and unconditional love for her students. She has the ability to form relationships with students who are very difficult to reach and calm highly emotional students. She has incredible intuition and anticipation of their needs, even when they are struggling to express themselves. Ali is an unwavering advocate for her student's needs, even when it means having difficult conversations with parents and colleagues, and she actively seeks partnerships for additional support when needed.

Fourth grade teacher **Aimee Salapack** exemplifies excellence in the teaching profession. She addresses the whole child and meets the social emotional and academic needs of her students and fosters their leadership skills. Her ability to lead has a positive impact on the building and district. She served as a Literacy Coach for several years. Seeing a need, Aimee took the initiative to bring the CARE Team and the Wildcat Backpack program to the building, which meant developing numerous community relationships. In addition, Aimee helped lead the district implementation of Schoology and MAP and serves as a Resident Educator mentor for new teachers.

L-R: Walker Elementary School Counselor Taylor White nominated Director of Student Service Krista Gearhart for the Dr. Hentsch Counselor Support Award.

## Gearhart Receives Award

## CSAEF Holds Patron Drive

The Canton South Advanced Education Foundation (CSAEF) is holding its annual patron drive. As a public-service, nonprofit organization, the CSAEF is uniquely positioned to help Canton South graduates meet their educational goals. Through generous contributions by individuals and companies, they have been able to award over 96 scholarships to graduating seniors and over 159 loans to Canton South graduates since 1961. The organization provided 10 scholarships in 2022.

The CSAEF also supports Girls' State attendees, academic recognition programs, the Athletic Booster Club, Canton South Arts department and the Canton South Yearbook. In 2022, they awarded multiple scholarships to the graduating class of Canton South High School as well as offering low-interest loans to graduates. Learn how to give at [sites.google.com/site/csadvancededucationfund/contributors](https://sites.google.com/site/csadvancededucationfund/contributors).

## New to the District?

Online registration forms for students (K-12) new to Canton Local Schools can be found at [cantonlocal.org/Content/newstudents](http://cantonlocal.org/Content/newstudents). Parents will drop off required documents to the District Office located at: Canton South High School 600 Faircrest St SE. Canton, OH 44707 Inside Door #2. Students do not need to attend. Appointments can be made by calling 330-484-8010.

## First Day Forms Available

The district is once again using the First Day Forms online system. This process replaces hard copy student registration and permission forms typically sent home on the first day of school.

Families should have received an email with their student's snapcode and link to the Powerschool enrollment system. All forms must be submitted prior to the first day of school. Those with questions can email [online.enrollment@cantonlocal.org](mailto:online.enrollment@cantonlocal.org) or call 330-484-8010.

## Immunizations Required

Attention parents of incoming 7th and 12th grade students! The state of Ohio requires that students provide proof of updated immunizations prior to the start of the school year.

- 7th graders Tdap and Meningitis (MCV4)
- 12th graders Meningitis (MCV4)

## Holiday Assistance Available

Even though there is still plenty of summer left, it's not too soon to be thinking about the upcoming holidays. If you anticipate needing assistance with a Thanksgiving meal, Christmas gifts for the kids or food for Christmas day and break, please let Family Support know NOW by emailing [ann-margaret.lambo@cantonlocal.org](mailto:ann-margaret.lambo@cantonlocal.org) or calling 330-484-8000, Ext. 1129 or 330-844-2111 and leaving a message. **Ann Margaret** will be in touch sometime in late September.

## Wildcat Preschool

The Canton Local Wildcat Preschool program serves typically developing children and children with special needs who live in the district.

Children who are four years of age by September 30, 2022 may be eligible for free programming based on state income guidelines. All three and four year old children with developmental delays are eligible.

Canton Local Preschool is rated 5 Stars by the Ohio Department of Education and the Ohio Department of Job and Family Services. This is the highest rating a preschool can receive. The Canton Local Preschool program includes free breakfast or lunch and transportation to and from preschool.

Class sizes for the 2022-23 school year are limited with most availability for the afternoon class four year old children. We are also accepting applications for the 2023-24 school year. Call 330-484-8022 for more information on qualification and registration.

## Summer meals are free to all children ages 1-18

Breakfast and lunch will be served in the Canton South High School cafeteria and must be consumed on campus. Meals are available Monday through Thursday through the end of July, except on observed holidays. Breakfast is served from 8:30 - 9:00 am and lunch from 11:00 -11:30 am. More information and a link to the summer menus are available at [cantonlocal.org](http://cantonlocal.org).

## Important changes coming to school meals

Current guidance from USDA does not allow us to serve free meals to all students in the 2022-2023 school year. Elementary and middle students will continue to receive free meals under the community eligibility provision (CEP). Unfortunately, Canton South High School does not qualify for this service. Therefore, students will need to purchase meals from the cafeteria.

## More than just free and reduced school lunch

All families are encouraged to fill out online free and reduced meal application for their families. Some people have heard that it is only necessary to fill out this form if you want your child to qualify for free or reduced-price school lunch. The truth is that it is important for EVERY family to fill out this form because doing so helps bring much needed additional money and services to your child's school and to the CLSD.

## Important things to know for the upcoming school year

1. Canton South High School families who qualify for free and reduced meals will receive those benefits. A free and reduced meal application is required for direct certification. A new application must be completed after July 1, 2022, for the 2022-2023 school year.
2. The Canton Local Meal Charge Policy will be reenacted.
3. Keep an eye out for our summer mailing with meal prices for Canton South students and other important cafeteria information

This institution is an equal opportunity provider.

## Canton South Rotary Sponsors Exceptional Olympics

The 36th annual Exceptional Olympics, sponsored by the Canton South Rotary Club, was held on May 13 at Perry High School. Students from Walker, Faircrest and Canton South competed with other student athletes from Stark County. Senior Xavier Stanford carried the flag for the opening ceremonies!

Throughout the year third and fourth grade Fitness Ninjas met monthly during their lunch and recess to talk about healthy living (diet & exercise), leadership and social skills. As a culminating activity, they visited the North Canton Ninja Hub gym, participating in a number of balancing, running, jumping, and climbing activities. Students even had a chance to climb the 10ft warp wall! Organizers appreciated the partnership with the Ninja Hub and their influence on helping students and staff live healthy and active lives.

## PTO Seeks Volunteers

The elementary PTO does a fantastic job of serving our students, staff, and families! This group of volunteers play an important role in many events and celebrations that so many people enjoy throughout the year. ## Students Skate into Summer

What better way to roll into summer than second, third and fourth graders going on a field trip to the North Canton Skate Center! Throughout the year, PE teacher, **Mrs. Jodi Forshey** worked on numerous skills with students to improve their balance and coordination. With the donations raised from the annual Jump-a-thon each of the students were able to attend the trip and put their skills to good use. Even though there were a lot of falls, kids and staff had a fantastic time and created many lasting memories!

Those attending received a commemorative coaster made by art students and enjoyed “lunch lady famous” peanut butter oatmeal bars.

## Students Show Service Projects

FMMS seventh grade students decorated and wrote letters for Compassion Delivered. Compassion Delivered is a nonprofit organization that prepares meals and delivers them to people in our community and surrounding Stark County areas who are coping with life threatening illnesses. Many of the recipients live alone and the decorated bags and letters are a small way our students help remind the clients of Compassion Delivered that they are appreciated, loved, and cared for.

On Wednesday, May 18, eighth grade students participated in a variety of service-learning projects. One group of students helped to tidy the grounds and the hallways of FMMS. Another group, in conjunction with Canton Township Transportation, helped to clean trash from the sides of busy roads in our community. Finally, the remaining students created gift bags with homemade puzzles, positive notes, and self-care items to deliver to assisted living facilities near our school. Overall, students worked very hard and appreciated the opportunity to give back to the community.

## Year Ends with Field Trips

In the middle of May, approximately 90 Faircrest fifth grade students attended an overnight trip to Camp Elkhorn. Led by several staff members, parent volunteers, and Camp Elkhorn advisors, our students were able to experience a variety of activities. Some of the highlights for our students were canoeing, hiking, the zip line, high ropes, and other team building exercises. Students were also treated to great meals, free time with friends, and beautiful weather.

In May, our eighth grade students traveled to Washington D.C. for their annual trip. Even though they ran into some rainy weather that did not stop them from having a great experience and visiting places such as the Vietnam Memorial, Arlington National Cemetery, the Lincoln Memorial, and much more.

Thank you to our students, staff, and Traveling classrooms for making it a wonderful experience!

## Genius Team Takes Third

The FMMS genius project team competed against 76 other schools to make it to the top 20, ultimately earning third place! A special thank you to the consulting team of **Mr. Fach**, **Mr. Stemple** and **Dr. Jean Paddock**!
