

There are many pathways to becoming an educator.
Here's a quick guide to joining...

Expanded Learning Program Staff

Includes before-school, after-school, and summer school programs

18 or older

High School Diploma or equivalent

District qualifications for Instructional Aide

- College units or Associate Degree and competency assessment may be required by some schools/districts

Note:
Required for K-8 Expanded Learning Programs
May be required for 9-12 Expanded Learning Programs

Depending on the school/district, applications may be processed through Edjoin.org or directly through the school/district.

Community-based organizations/program providers (i.e. YMCA, Boys & Girls Club, etc), may handle the application process on behalf of the school/district.

Special Conditions of Employment

Background check and drug screening

Clear TB Test

CPR and First Aid certification within 30 days of hire

Certificate of Clearance or Fingerprinting may be required

TIPS!

Working in Expanded Learning is a way to start working in schools before completing a Bachelor's Degree and Teaching Credential Program.

Positions are often part time, making it easier to also attend classes and/or maintain other personal and family obligations.

The school/district will let you know what level of clearance and type of fingerprints are required. SDCOE has fingerprinting services on our main campus and in San Marcos. www.sdcoe.net/credentials
