**RSU 5 Vision:**

**Students:**

In RSU5, we empower learners to become healthy, compassionate and responsible citizens who contribute to their local and global communities. Our students are creative problem solvers and critical thinkers who communicate effectively in an evolving world.

**Learning:**

RSU5 responds to individual students' needs and prepares students to thrive in their personal and professional lives. Learning is personalized to challenge students and to explore their passions.

Students choose from a variety of diverse and engaging experiences, including opportunities for active, experiential, real-world learning.

**Culture/Community:**

In RSU5, students learn in joyful environments that are physically and emotionally safe. (???) Our school culture fosters well-being, respect, and curiosity while challenging students with clearly defined and rigorous expectations. Partnerships involving parents and community inspire and support enriched learning for all students.

Students graduate as compassionate, honest, respectful and responsible citizens who continue to learn and contribute to their communities for life.
