

**Strategic Planning Advisory Committee**  
**June 6, 2018**  
**Minutes**

**Committee Members Present:**

Becky Foley, Lindsay Sterling, Stephanie Paine, Jonathan Dawson, Cynthia Alexander, Nancy Drolet, Seth Koenig, Julie Nickerson

**Facilitator:** Mary Jane McCalmon

Reviewed how many people have completed the survey. Over 1000 people have completed responses.

To encourage a few more responses, the group discussed having people at the polling places on election day. Rhea was going to check with the Interact Club about taking certain shifts. Nancy will check on whether Rhea has been able to do this. Becky will check with Seth about having Chromebooks available for people to complete the survey. Polling places include:

Freeport – High School  
Pownal – Town Hall  
Durham – Durham Community School

Next steps will include Mary Jane sorting the data over the summer. When we return in the fall, the committee will look at the data. They will also review cohort vision statements, and statements from private partnerships and private schools.

It was determined that there will be a forum held on October 5<sup>th</sup> for staff to analyze the data and see what themes emerge. Then there will be an additional forum for community members to do the same on October 2 from 6:30-8:00 p.m.

Next meeting dates for the committee:

Meetings will be held in the conference room at the Superintendent's Office
