Kindergarten Registration

If you have not pre-registered your child for 2022-2023 kindergarten please go to our homepage (dcs.rsu5.org) and click on the kindergarten link. Children must be 5 years of age on or before October 15. It is very important that we get everyone registered so class sizes and staff can be determined early.

Book Fair

Thank you to all of the parents, volunteers, teachers and students for making this our most successful Book Fair ever!! With your help, we reached our goal of earning scholastic dollars to add more books to our library and classrooms. We also earned some extra that will go towards the purchase of new playground equipment. The PTA thanks you for your support.

FHS Online Auction

The senior class at FHS is having an online auction to raise money for project graduation and senior week. Like most students, the seniors have had their high school years impacted by Covid - limited proms, athletic events, drama productions, homecomings, etc. Our hope is to give them a nice senior week and project graduation!

In addition, the fundraising efforts have been limited so ... if you're interested here's a great way to help support the senior class, and also get some awesome items!! Lobsters, oysters, scallops, overnights, camping, car detailing, local gift cards, kayaking, mini golf, loam delivery, sugarloaf condos, and so so much more!

WE ARE STILL ACCEPTING DONATIONS so we can highlight new ones daily. If you have an item to donate please email sheal@rsu5.org.

Summer Camps

Dear Parent(s)/Guardian(s),

Believe it or not, summer is just around the corner, and camp season is almost upon us. Maine offers a wide variety of fun and engaging day- and overnight- camps for children, appealing to the interests of everyone from artists and athletes, to scientists and nature explorers.

If you are considering a summer camp experience for your child, please know that Durham Community School may be able to offer some financial support to families who need assistance.

If you do not know of a camp, but are interested in learning more about Maine camps, please visit: Mainecamps.org.

The care team at DCS will try to connect as many Durham families with financial help as possible.

Camps fill up quickly, and financial assistance is decided on a first come, first served basis.

If you have any questions about the camps or the financial aid process, please feel free to give us a call at (353-9333) and we would be happy to help!

Sincerely,

The Care Team at DCS
