Important Morning Drop Off Information

Our 5th and 6th grade students are now entering the school through the front doors as they have in the past. This will save them walking around the back of the building when the ground is slippery. Students in these grade levels should now be dropped off in the main parking lot and not in the upper parking lot.

Parking in the upper lot at school:

We need your help on two issues in the upper parking lot at school. Our bus driving team have been having a difficult time parking the buses in the required spaces in order to plug them in to the engine heaters. As you know, this parking lot is tight and a bus is not that maneuverable. If you are visiting and parking in the upper lot, please do not park behind the bus parking spots.

Secondly, just a reminder that the only cars dropping off in the upper parking lot should be for Pre-K children at this point. It is a safety issue to minimize the cars moving around our youngest children.

Please make sure to send in hats, mittens and boots for your children every day.

Please make sure to write your child's name on their jackets, mittens, sweatshirts, lunch boxes, water bottles, etc. so that we can return any items that end up in lost and found.

Bus Changes

Due to staffing shortages we recently had to make some changes to our bus runs. These changes mean morning pick up and afternoon drop off times for students on the blue, pink, and yellow buses may have changed by a few minutes and our red bus students are now on a new bus with new morning pick up and afternoon drop off times.

If you have any questions please contact our transportation director, Dennis Ouellette, at 865-0928 or by email at ouelleted@rsu5.org. Thank you for your patience and understanding.
