## REMINDERS

Just a reminder that the exterior doors are locked during the school day so when you arrive you will need to press the call button on the box located outside the main door which will ring to the office staff. Please note that this call box also has a camera attached so that the main office can see who is entering the building. Please stand in front of the call box until you hear the door unlock.

***Reminder that if your child is going to be late or absent to school please call the school office at 353-9333 by 9:00am. This really helps us to make sure that all of our students are safe either here at school or at home.***
