Welcome to Kindergarten!

Kindergarten Registration

Kindergarten registration has begun for the 2022-2023 school year. Please go to the DCS website (dcs.rsu5.org) to pre-register your child for kindergarten. Children must be 5 years old on or before October 15.

Pre-Kindergarten Registration

We are currently registering students for the 2022-23 school year. Please go to our homepage to pre-register your child for Pre-K.

Our Pre-K program is designed to prepare students with the skills needed to be successful in Kindergarten and to support learning and exploration in our youngest learners. All children who reside in Durham and will be four years of age on or before October 15, 2022 are eligible for our free public Pre-K program in the fall.

The Pre-K program is half days Monday-Friday, either mornings (8:30am-11:20am) or afternoons (12:30pm - 3:15pm) with bus transportation provided. We are excited to offer 48 spaces, two morning classes and one afternoon class of sixteen children in each session. If there are fewer than 48 students registered all students are accepted but if there are more children registered than spaces available, priority will be given to those with academic or developmental needs, and the remaining places will be determined through a lottery for those students who sign up by March 17. After the initial selection, a waiting list will be created on a first come, first serve basis in case openings become available.
