up February 12-19

MESSAGE FROM THE NURSE:

As we continue to see a rise in COVID-19 cases across the state, RSU5 continues to work hard to keep our students, staff and community safe. Please continue to keep your students home if they are experiencing symptoms of COVID-19 or do not feel well.

When in doubt, keep them out and contact Kim Gormely with questions on when your child can return to school.

Please be aware of the most up to date travel guidelines for the State of Maine:

New Hampshire and **Vermont** are the only exempt states on the State of Maine travel list. If you travel to either of these states, students may return to school without any further action.

If your student is traveling to a non-exempt state they must either quarantine for 10 days upon returning to Maine or provide a negative COVID swab. If you do plan on traveling or have questions about returning to school after traveling please contact the school nurse at gormelyk@rsu5.org or by phone at 353-8249.

Pre-Kindergarten Registration

We are currently registering students for the 2021-22 school year. Please go to our homepage to pre-register your child for Pre-K.

Pre-K Registration

Our Pre-K program is designed to prepare students with the skills needed to be successful in Kindergarten and to support learning and exploration in our youngest learners. All children who reside in Durham and will be four years of age on or before October 15, 2021 are eligible for our free public Pre-K program in the fall.

The Pre-K program is half days Monday-Friday, either mornings (8:30am-11:20am) or afternoons (12:30pm - 3:15pm) with bus transportation provided. We are excited to offer 48 spaces, two morning classes and one afternoon class of sixteen children in each session. If there are fewer than 48 students registered all students are accepted but if there are more children registered than spaces available, priority will be given to those with academic or developmental needs, and the remaining places will be determined through a lottery for those students who sign up by March 12. After the initial selection, a waiting list will be created on a first come, first serve basis in case openings become available.
