Freeport High School Transition Activities

January 27th @ 6:00 P.M. Informational Session

All 8th grade students and their parents are invited to an evening informational session at FHS. The goal of this informational evening is to introduce our staff members, discuss academic expectations, inform students and parents about registering for high school classes, and demonstrate what the next four years should look like at Freeport High School.

**February 10 & 11
9:15-11:15am**

8th grade tour and informational session at Freeport High School

All 8th grade students will attend a tour and informational session at FHS. Students will be bussed over from DCS

You will be notified which day your child will be attending this activity.

The Maine Steiners, an all male acapella group from the University of Maine, visited DCS during their tour across the state yesterday! They joined our chorus for a mini workshop and then performed for our entire school. We were so impressed by their talent and appreciated their visit and sharing their expertise!
