Summer Time!

**The last day of school is tomorrow, June 21
Dismissal is at 11:50am**

FIELD DAY IS TOMORROW!!

Please make sure to wear sneakers and bring a water bottle

End of Year Reminders:

Note that school begins on September 3. You will find bus information on the RSU website as soon as it is completed in August. We anticipate no major changes to bus routes or times.

From the Nurse:

REMEMBER TO PICK UP MEDICATIONS:

Parents please be sure, if your child has medication at school, to pick it up by the end of the school day tomorrow.

LOST and FOUND

Be sure to check Lost & Found. As has been our tradition we will donate any left over items to a local charity once school is finished.

From the Kitchen:

Please take care of any outstanding lunch bills.

There will be no lunch served on the last day of school. If your child pre-ordered a bag lunch they will be receiving it before they leave for the day.

There will be breakfast available on the last day of school. If your child would like to purchase a breakfast bag they will be available on Friday in the cafeteria from 8:25-8:55am

From the Athletic Department:

If your child played a middle school sport this year and has not returned their uniform please return it to Mrs. Pinette in the office by the end of the school day tomorrow.

THE MATH CORNER

Welcome to the math corner

Find numbers around the house. Try to find something that has a 1 in the number, 2, 3, etc. You can also play by saying 3 or 4 items that have the number. Have the child say what the number is. Clock, telephone, sticker with 3 on it. They all have a 3.

Still making summer plans? We're here to help!

We still have space available in many of our camps this summer, for kids ages 4-16. Please visit our website to read about late additions to our schedule including a football camp led by Jason Jackson, Junior Chef Camp, newly added dance camps for young children and teens, as well as all kinds of sports, adventure, art and science camps. Some of the listings are detailed at <http://www.rsu5cp.org/not-late-plan-summer/>, but you can check out our entire catalog by visiting the links on the right-hand side of the page. We hope to see you this summer!

Free Summer Lunch for Kids

Freeport Community Services will be running the Summer Free Lunch for Kids program. Summer vacation means many things to children in the Freeport area- sunshine, freedom, outdoor play and family outings. But for a growing number of kids the end of school also means an end to the school lunch program, which provides the one nutritious meal they can depend on each day. Once again, Freeport Community Services (FCS) will be running the Summer Free Lunch for Kids program. Beginning on June 24th and running daily through August 23rd – except the 4th of July - FCS will be preparing and serving free, healthy lunches for children.

Meals distributed at the Freeport Community Center, and at Mast Landing School will be provided to all eligible children free of charge. (To be eligible to receive free meals at these sites, children must meet the income guidelines for reduced-price meals in the National School Lunch Program.) Children who are part of households that receive Supplemental Nutritional Assistance Program (SNAP, formally food stamps) benefits or benefits under the Food Distribution Program on Indian Reservations (FCPIR), or Temporary Assistance to Needy Families (TANF) are automatically eligible to receive free meals.

Meals distributed at the Village View Apartments Community Room, and at Wildwood Acres on Elm Street will be provided to all children with no income or residency requirements!

Lunch at all sites is served at 11:30 am – 12pm Monday through Friday. All children under the age of 19 are welcome.

For more information, call Sarah Lundin at 865-3985 x205.

Volunteers are needed Monday – Friday to prepare, deliver, serve and monitor lunches at these sites. If you are interested in helping, please contact Debbie Daggett, Volunteer Coordinator at 865-3985 x206, or email ddaggett@fcsmaine.org

4th Grade School Store

Twice a year, our fourth grade students participate in setting up their own store by making products and selling them as part of Class Cash Stores.

To receive money that they will be able to spend at the stores, students get a weekly allowance which they can earn in a few ways including being helpful with cleaning up. Students set prices based on supply and demand as well as having debts that they pay, such as rent. Then the marketplace is open and ready for sales!
