8th Grade  
Recognition Night  
June 20  
6:30pm

In honor of Earth Day on April 22nd, DCS participated in a full school trash clean up on Wednesday, April 24th, followed by a full school recycled materials art project on Thursday, May 2nd. Students in grades K through 3 were paired with an older student and worked to create a small sculpture that illustrated either a flowering plant or pollinator (bees, butterflies, beetles, bats and birds), made completely from gathered recycled materials.
