Kindergarten Registration

If you have not pre-registered your child for kindergarten please go to our homepage (dcs.rsu5.org) to pre-register your child for 2019-2020 kindergarten. Children must be 5 years of age on or before October 15, 2019. It is very important that we get everyone registered so class sizes and staff can be determined early. Screening will take place the beginning of May.

Substitute Teachers Needed

Durham Community School is in need of qualified substitute teachers for grades K-8. If you are interested and have completed at least 2 years post secondary education please contact Sandrine at RSU 5 Central Office to submit an application (865-0928). Applications require finger printing certification through the Department of Education and three references.
