

Tiger Tales

September 13, 2018

Tiger Tales is our weekly update about events happening at school. Usually it is published online and emailed to families and posted on our website but for these first two weeks we are sending paper copies home also. The web based version benefits from pictures being crisp and clear as well as links to other information being active.

If you have not signed up for school messenger you can do that by contacting Debi or Rose in the office at 353-9333.

If you do not use or have access to the internet you can request a paper copy of Tiger Tales to be sent home by contacting Debi in the office at 353-9333.

Curriculum Night Tonight for Grades 1-4 September 13 from 6:30-7:30pm

We hope to see all parents/guardians at these "no student" meetings. The purpose of these evenings is to convey to parents/guardians the important information about what the students are learning and the expectations and demands upon them.

PICKING UP YOUR CHILD AFTER SCHOOL?

If your child is not on the EVERY DAY PICK UP list and you want to pick him or her up at the end of the day (3:10) please call **before 2:30** to put them on the list. 353-9333

The school is locked during the day. If a family member or neighbor will be picking up your child, please call the school to inform us, and ask that person to bring identification with them. We ask that you be patient with us while we get to know you.

Odyssey Of The Mind Coaches Information Night

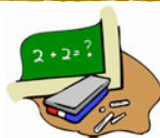

Come join us on Monday September 24th at 6:00 in the DCS library. We will be discussing an exciting opportunity to support DCS students in Odyssey of The Mind, a creative problem solving program in which kids choose a hands on or performance based challenge, they create a solution using many different skills, and then compete against other teams in their age range!

This info night will be for adults who might be interested in learning more about coaching. Over the last 5 years we have many students interested in the program and we are excited to see it blossom but we can't do it without your support.

If you have questions before the information night or are interested but unable to join us on the 24th please reach out to OM coordinators (and long time coaches!) Jennifer Hayes (jennifer_harders@hotmail.com) or Devon Freeman (devydo0630@aol.com). Also check out the Maine OM website at <http://www.meodyssey.org/>

School Hours

Classes begin at 8:35 each day. It is very important that students are here on time and ready to begin with their classmates. Classrooms begin the day with a set routine and students arriving late often miss out on the "settling in" time that helps get the day off to a good start. However when students are late coming in they need to stop in the office to pick up a late pass. Thank you for your help in making sure our students are as successful as possible!

Attention 6th Grade Parents:

Required medical paperwork to attend Bryant Pond overnight field trip:

- 1) You need to send in documentation of most recent physical (within the past year and doctor may fax to 353-2731)
- 2) If your child needs to take daily medication please contact Mrs. Gormely, our School Nurse to obtain permission slips.
