8th Grade Pictures Thursday, May 3

Lifetouch will be here on Thursday, May 3rd to take pictures of our 8th grade students. These pictures will be included on their recognition certificate so we are asking that students please dress up for these pictures. There will be order forms coming home this week if you would like to order additional pictures.

Kindergarten Registration

If you have not pre-registered your child for 2018-2019 kindergarten please go to our homepage (dcs.rsu5.org) and click on the kindergarten link. Children must be 5 years of age on or before October 15. It is very important that we get everyone registered so class sizes and staff can be determined early.

Strategic Planning Update:

RSU 5 is developing a new strategic plan to guide education in the district for years to come, and the RSU wants the people of Durham, Freeport and Pownal to weigh in.

A committee is working to draft a new mission statement, vision and strategic plan for the RSU and have developed a short, eight-question survey to learn more about how their friends and neighbors of all ages and backgrounds feel about our local schools, as well as how they want education to look in the district in the future.

The survey will be available on paper at the schools and other public locations, as well as on the internet. You can complete the survey at <http://www.rsu5.org/News/1148-sthash.b3FQyHzu.dpbs>. Additionally, the committee will facilitate community forums to gather public input in person. These forums will be held on May 2 at Freeport High School, May 3 at Pownal Elementary School, and May 16 at Durham Community School. We will share the feedback in the fall and discuss how that input will be used to create a plan for the future of the district. Please take a few minutes to complete the survey and make your voice heard.
