Online Free and Reduced Applications for Iredell-Statesville Schools

Now you can apply online for your children to receive free or reduced-price school meals. Your application will be sent from a secure website directly to Iredell-Statesville School Nutrition, so you don't need to worry about filling out a paper form that could be lost or misplaced.

The online site (www.LunchApplication.com) has been designed to make it easy for you to know exactly what information you need to provide and to guide you through the process. Once your application has been submitted, you will receive a confirmation email, the district office will determine your eligibility and you will receive a letter with the results.

Lunch Application (www.LunchApplication.com) is an easy, secure, and convenient way to apply for free or reduced-priced meals. You can access the website directly or from the Iredell-Statesville Schools website (issnc.org) on **July 13, 2022**.

If you do not have access to the internet, you can pick up an application at the School Nutrition Office after **July 13, 2022**. You can also fill out an application online in the School Office, Cafeteria, or School Nutrition Office.

If you have already received a letter telling you that your child was pre-approved for meal benefits for the 2022-2023 school year, you do not need to reapply. Please make sure all of the school-aged children living in your household are listed on the approval letter. If not, please contact Joan Newland at 704-873-2175.

To apply, simply go to www.LunchApplication.com and click Apply Now.
