We would like to take this opportunity to stress the importance of **REDUCING, REUSING AND RECYCLING**.

In addition to Single Stream Recycling, this sheet outlines disposal guidelines for a variety of common disposal items, including leaves and hazardous household waste.

Simple" Recycling Program – Soft recyclables (i.e. clothing, shoes, handbags, household textiles that have reached the end of their useful life) are collected curbside. The collection will occur on your regularly scheduled recycling day in bags that are provided at no charge. The benefits are convenience, revenue and a cost savings to the city and taxpayers. Visit: SimpleRecycling.com; Call 866-835-5068; Email info@simplerecycling.com.
