They are like trees

That grow beside a stream

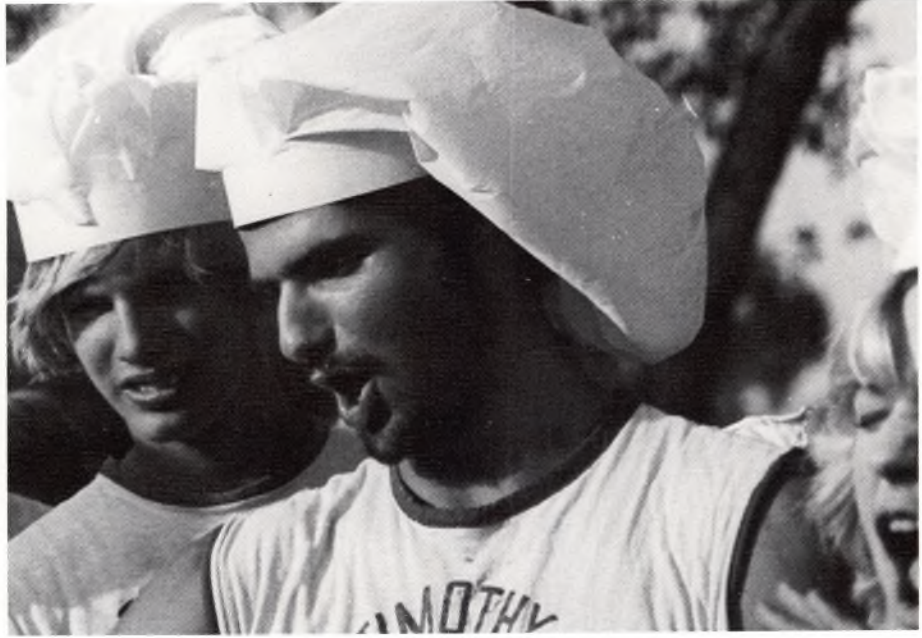

*That bear fruit
at the right time*

*Whose leaves
do not dry up.*

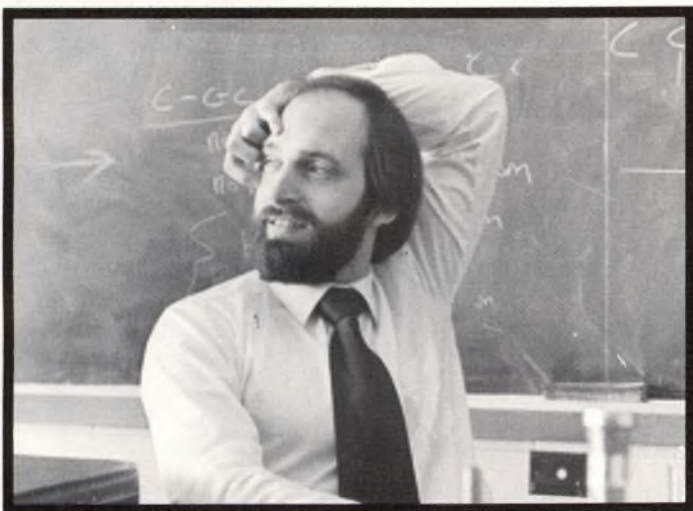

They succeed in everything they do.

Psalm 1:3

*I've got roots growing
down to the water, I've
got leaves growing up to
the sunshine, and the
fruit that I bear is a
sign of the life in me.*

BUSINESS

Dan V. A. can't believe that John B. actually likes accounting.

George V. T. takes time out from his diligent studying.

Mr. Boven just loves his students.

Business As Usual.

5th hour accounting is so relaxing.

Those going into the business world were shown how it was done, by Mr. Boven. Skills ranged from how to type term papers, to spending money wisely. The typing course offered a start towards many hours saved from writing. Business letters and term papers were just some of the things they did. Bookkeeping students learned how to keep accurate records for different business and compare it to the company's goals. The shorthand class learned how to take notes fast, so they could please any boss.

Jeff H. & Bob B. will make good wives someday.

Mrs. Stulp did a great job in the area of Home Economics this year. The foods class taught, not only gals, but also many fellows, how to prepare menus and keep the food bill within a budget. Family living class gave practical ideas on how to raise a family and all the things that go along with it. Starting with a shirt and then going into more complex patterns was what the sewing class accomplished this year.

Basic Tech. Adds To The I. A. Program

The industrial arts program expanded this year. Along with the usual mechanical drawing classes, a new one semester course in basic technology was offered. The class was a combination of many basics including mechanical drawing, lettering, and working with wood and machinery. Each student made one product in wood and in metal.

Mechanical Drawing was the

same as in the past. Students learned to draw in scale and concentrate on accuracy and line quality.

Architctual Design let senior lads and lassies design their own dream houses. They made floor plans and elevation views, while learning the various FHA requirements and standards for building.

Freshmen Get Off Easy During Initiation.

Initiation was different this year in many ways. Each year the rules have become more numerous and stringent and this year it was finally cancelled at noon-hour on the fateful day because things got "out of hand." (Though many seniors questioned the validity of the accusation.) Kangaroo court was held even after the cancellation. The seniors wore chef's hats and made a 7-course meal out of the

freshmen. Student Council provided a free dinner, organized Kangaroo Court, and held a goldfish eating and a pie eating contest. The rookie teachers were initiated also, so the students got a glimpse of Mr. Navis's legs, Miss Baker with unusually wide shoulders, and Mr. Dudt "under construction." Overall the day was unique, exciting, and fun.

Saga Staff Tries To Produce A Unique SAGA.

This has been a busy and eventful year for the yearbook staff. Almost everybody on the staff was a rookie, including our advisor Mr. Hartgerink. Our editor, Laurie DeYoung, and assistant editor, Jan Swierenga, attended yearbook camp for a week and were prepared to meet the challenge of assembling the yearbook.

Early in the year the theme was chosen and the book was planned. Student council assisted us in purchasing two 35 millimeter cameras and our photographers began compiling photographs. Layouts were completed and the process of choosing and cropping photos began.

We did have our difficulties however. Getting copy was like pulling teeth and the business staff had problems raising the necessary funds. Nevertheless, we continued to plod ahead.

Unwilling (or unable) to break with tradition we worked on into the summer. Our copy editor, faced with the possibility of large white spaces, decided to use a delightful variety of student creative writings. We have enjoyed capturing a small part of your life at Timothy during the past year and hope that as you go on from

here you will send your roots even deeper into God's living water, that you will bear good fruit, and that your leaves will always be green and never wither.

Sincerely,
The SAGA Staff

Trumpet Makes Changes In Leadership

Writers & Photographers - Clockwise (Lower Left): Nancy V. K., Linda V. N., Chris C., Cindy D. V., Ruth L., Ardy V., Paul L., Nadia K., Kelly G., Carol G., Jenny H., Carol D. M.

The Trumpet underwent many changes during the 1979 - 1980 year. The new sponsor, Mrs. York, offered many new ideas; for example, the Trojan of the Month, written by Paul Luchtenburg and the Teacher Feature covering the new teachers. Photographers Onsi Kamel and Jenny Hoeft covered the Octoberfest and Fall Play. Steve Vos gave the students suggestions on living closer to Jesus. Onsi edited two issues but resigned in November. He appointed as co-editors Carol Veldman and Ed Teune. After the next issue, Carol Veldman also resigned leaving full editorship to Ed Tuene. This year was difficult but the Trumpet looks forward to a good year next year.

The profits from the plant sale went to refugees. In February we sold soup and burnt grilled cheese.

The Fine Arts Festival was at its best. We had dancers and actors and all of the rest. We had movies and magicians to name just a few. The plant sale was all we had left to do.

SAC WEEK

A successful SAC Week kept up the hopes of the worried teachers. Although every course didn't work out exactly how it was planned, they worked for the best. Many new courses were added to the long list along with the traditional courses such as bird watching, flower arrangement, cooking, and baking. Most students and teachers thought that it was a worthwhile week not just because they missed a week of academic in the classroom. This memorable week left many new impressions on each persons mind. We are thankful that everything went well and are planning on continuing this program at Timothy.

BAND

Cindy B. - don't you belong on the B-ball court?

Aside from the normal concerts, the band had many other exciting and unusual performances throughout the year. They got out of half a day of school to play at a grand opening celebration of the North Park mall. They gave a mini-concert as the special music at Western Springs Church one Sunday night. The band also took part in the IHSA Competition in Lemont, Illinois, receiving a "first" rating.

To raise money for their SAC week trip to Chattanooga, the band held a play-a-thon. Each member got sponsors to pledge for each hour the band played, the band came to school on a day off and they played . . . played . . . and played. Early one Saturday morning, the band took off to Tennessee in a chartered bus. The first three nights they spent in motels, ate good food, swam in nice pools, and enjoyed the use of electricity. The next three nights they camped, ate and slept in the rain, encountered a few unwanted skunks, and developed many "nerds" to be submitted into Mr. Daniel's dreaded "Nerd Box." The real purpose of going to Chattanooga was to participate in the National Music Festival. The band received a "good" rating and a second place trophy

Mr. Nordling - 1-an' a-2-an' a-3 . . .

which was presented to them at the closing program, a Buddy Rich concert, that night. Other activities included playing at a grade school, attending a Baptist Church, staying one night at Covenant College, sight-seeing all over the Smokey Mountain area, and finishing off the trip at Mammoth Caves.

The band concluded their season by marching in the Elmhurst Memorial Day Parade. The outstanding girl and boy awards were given to Anne Marie Wilson and Doug Bardolph. Mr. Daniels has really done a lot with

T. C. Gets Rated #1

T. C.'s choir is joined by Unity's choir.

The choir presented its traditional Christmas Concert, and also performed several times at Faith Christian Reformed Church. There was a special afternoon performance for the senior members of Lombard Christian Reformed Church. In addition to all this, Unity Christian High School from Iowa and our choir, held a joint Spring Concert which was especially exciting.

The highlight of the year, though, was our high level of achievement in the IHSA Competition. In this statewide competition we received the highest rating possible in both the sight reading and vocal divisions. The improvements in this year's choir can be attributed to the many new musical techniques which Mr. Wolterstorff initiated this year.

Drama Club's fall project was the production of the musical, "Fiddler on the Roof", Co-directed by Mr. Day and Mr. Wolterstorff which was performed October 5, 6, 12 and 13. Tryouts were held the last month of school and rehearsals extended through summer. The play was finally performed off stage on the gymnasium floor.

"Fiddler on the Roof" is the story of Tevye and his wife Golde, a Russian-Jewish couple, who live in the small village of Anetevka with their five daughters. Their life is one

of poverty and Tevye dreams of a better life in "If I were a Rich man."

The play begins with Tevye and villagers singing of the importance of "Tradition". But as the story continues, Tevye sees the breaking of Tradition as one by one, his daughters leave home. His sadness and confusion are expressed in the songs "Sunrise, Sunset," "Do You Love Me?" and "The Chava Sequence" though his daughters show their happiness in "Miracle of Miracles" and "Match Maker, Match Maker."

GOLF

What form! Dave D.

Our golf team ended up 7th in the league, with a 1-6 record. In the P.S.L. Tournament they had a score of 398 and came in 6th out of eight teams. In the districts out of 18 teams they tied for 4th. Only three of the golfers, Dykstra, VanKooten, and Wishnew, were on last year's team. Dave in a match against ACC and Illiana, shot a 39 and tied for first place. Maas in districts, shot 41 in the last 9 holes.

The team was invited to the Christian High School Tournament, held in Holland, Michigan. They left on a Friday morning, and the tournament was Saturday morning; eight teams were there. They played 4 holes and had to stop because it was raining too hard.

This year was a building year for the junior varsity team. They won their first game against Walther Luther, but lost the match. The team improved greatly throughout the season, even though it's record doesn't show it. Kristy Tamminga and Diane Metcalf proved to be good setters, while

Donna Decker and Kelly Fodness had powerful spikes. Coach Vandenberg described the team as being dilligent, dependable and an enjoyable group to work with. The captain, Kristi Kuyers, and co-captain, Jane Voortman, really kept the teams spirit up throughout the long, but fun season.

Pepping Up T. C.

Making "T's" for the b-ball games was the big part of pep club.

Every crowd has to have one or two.

Miss Baker and Tracy get a little excited over the game.

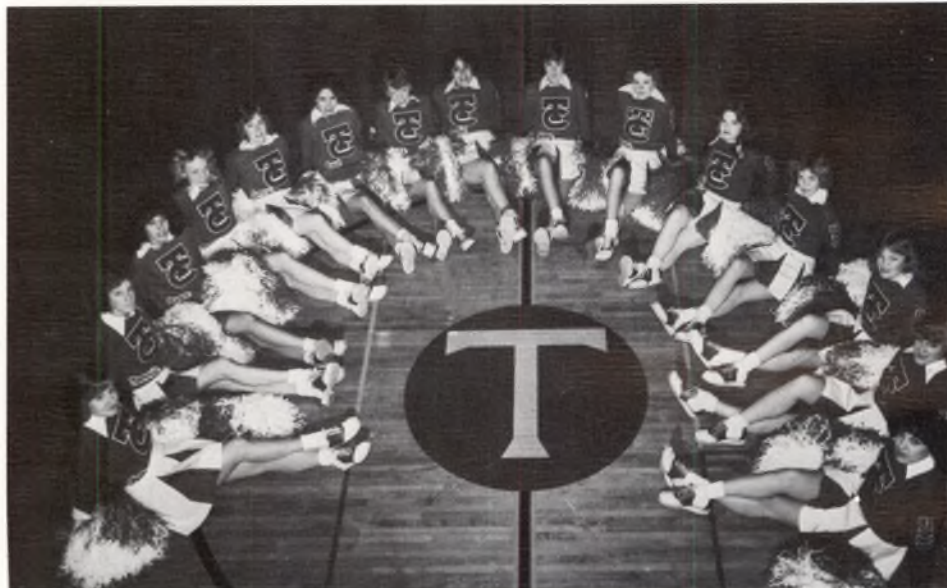

Lynn . . . are you rowdy?

Beth you have to calm down!

POM PONS

People are finally staying in bleachers to watch the pompon girls routines. The squad put in many hours of hard work after school getting the routines perfected. Much improvement has made pompons an activity which people enjoy. Another improvement this year was the new uniforms which made the squad look even sharper. Hard work and new ideas made this year fun and fulfilling.

Although there were not many fans to cheer them on, the girls basketball team turned out a great season. The strong team spirit brought the team close together and produced well played games. Coach Dudd is very proud of his team and hopes as many girls try out next year.

Varsity Makes It To Sectionals

The girls varsity basketball team, Coached by Miss Baker, had a fairly good year. The P.S.L. tournament resulted in a three way tie for fifth place. They made it all the way to the Class A sectionals.

Unfortunately they lost in the second round of these. Of the players on the team, Ruth B. was voted "all conference" and Teri B. was the "most improved player."

FRESHMEN BASKETBALL

Somebody has to get it.

Free throw - arms up!

That's not the right basket

Improve with Age.

The Freshman Basketball Team consisted of 14 boys who were willing to suffer through pre-season running and conditioning in order to play basketball. Five new Timothy students on the team led to some early difficulties in team-play, but by the end of the season everyone was playing well together. Several boys showed a great deal of improvement and potential and should have a lot to contribute to Timothy basketball in the years to come.

Once again, Timothy had a great season, though it ended very disappointingly, the way it started. The first three games were lost to Argo and St. Ignatius, both in the St. Patrick's Thanksgiving Tournament. Then they lost to Providence at Providence. We then rebounded and won our next few games. We surprised everyone when we took third in the York Holiday Tournament by beating Addison Trail, Gordon Tech (who make it to the "AA" elite eight downstate), losing to St. Ignatius (again) in 2 O.T.'s and finally winning against Glenbrook South to take 3rd in the tournament.

After that we suffered a

disappointing loss to Chicago Christian and then back-to-back losses to Providence (in 2 O.T.'s) and Luther South knocked us out of the PSL crown race. We started the IHSA Tournament by beating Francis Parker, then Walther, and finally I.C. in the championship game to take the Regional Title. In the first game of the Sectional we overcame a 17 point deficit to beat Shabonna by a narrow margin, then beat Aurora for the third time this year, thereby taking the Sectional title. We overwhelmed Franklin Center in the Super-Sectional and headed downstate. We lost, however, to Madison by 3 points in our first game downstate.

Grapplers Get A Grip On Things.

This year's matmen finished with a 9-10 dual meet record, one of the best records in Timothy's past. Led by five returning lettermen from last year's squad, the Trojans placed fifth in the St. Francis tournament. Outstanding individual efforts were shown through Paul McGraw with a record of 28-9 and a first place finish at the Calvin Invitational, Tim Loerop had a record of 26-5 and was a conference champion, Paul Luchtenburg - 28-7-1, and pinned 15 opponents,

and Dirk Rispens with a record of 17-13.

Other weight-classes were filled by inexperienced, but aggressive, first year wrestlers led by Eric Jekkals who had a 17-13 record on the varsity level. Buddy Shafer, Scott Bouma, Randy Erffmeyer, Jeff Pilz, Paul Byrne, and Pete Jaeger filled in the other weight classes and will be returning next year to lead the Trojan grapplers to another successful year.

I said, "on your knees!"

Tim L. - I won!

GIRLS SOFTBALL

SOFTBALL

Softball games can be very aggravating. When I make a mistake during the game, I get mad at myself and the coaches never forget to add their part. One time I hit the ball to left field because I didn't understand I was supposed to bunt. I was safe but afterwards Mr. Slager pulled me over for a little talk. Mr. Harkema usually gives me the silent treatment. However, he might sometimes add a snide remark in agreement with Mr. Slager such as "You should have benched her." Even though softball upsets me sometimes I still like it.

"Quality Not Quantity"

Although the girl's track team had only fourteen members, they had a very successful season with Mr. Senti as coach. The first major meet in which both the boys and girls participated was the Calvin Invitational at Calvin College. Here they competed with other Christian schools from Illinois and Michigan.

Another meet both the boys and girls were in was the Bolingbrook relays. Every event was co-ed and each relay team consisted of two boys and two girls.

At the Frosh. - Soph. Invitational the underclassmen, for the third consecutive year, took home the first

place trophy. At PSL Finals, the team placed second behind Providence and individual firsts went to Ruth Bronger in the 3200 mile run, Cathy Mass in the 1600 meter run, and Ruth Luchtenburg in both the 100 meter and 200 meter hurdles.

The final meet of the season for the team as a whole was districts. The competition was extremely tough but two individuals, Ruth Luchtenburg in the 1600 meter hurdles and Cathy Maas in the 1600 meter run placed first and advanced to Charleston to compete in State Finals.

T.C. Looking Good!

The Varsity Baseball team began without a coach in March and ended as regional champions in May. Mr. Goebel along with Steve Duckhorn, released from the San Francisco Giants, told the team they were as good, man for man, as any team they faced. In time the team began to believe this and began winning. Highlights of the season were stunning St. Benedict 1-0 in the State Tournament and surprising top-seated Montini to win the regional trophy.

Now what is he trying to do?

Our season began on a slow note, but with hard work, dedication and lots of team spirit, we showed that even with small numbers things could be accomplished. The returning varsity members were Bob Bronger, Don Wieringa, Al Terpstra, Gerrit Wieringa, Paul Luchtenburg and the new faces of Jay Anderson and Dave Doig.

Even though we went through a difficult season we proved ourselves by taking a second at the Calvin College Invitational, first place finish at PSL finals, and also retaining our District crown. But our hopes were shattered by a disappointing eighth place finish in our sectionals, ruining our chances of state competition.

Time to try on robes and caps. They rumble in the halls. Final moments. Final Memories.

They say they've never been more ready. They laugh and brag about how they won't be here next year. I don't think they're ready - not really. I thought I caught a glint

in an eye, or was it just a reflection of my own?

Maybe I'm the one that's not ready. I get a tinge in my stomach thinking about goodbyes. I think I have their feelings all figured out. But who am I? I realize what I thought were their feelings of insecurity are really mine. Does anyone have free answers to share?

*And now just as you trusted Christ to
save you,*

*trust him, too, for each days problems;
live in vital union with him.*

*Let your roots grow down into him
and draw up nourishment from him.*

*See that you go on growing
in the Lord,*

*and become strong and vigorous
in the truth you were taught.*

*Let your lives overflow with joy
and thanksgiving*

for all he has done.

The wise man's words are like goads that spur to action. They nail down important truths. Students are wise who master what their teachers tell them. But, my son, be warned: there is no end of opinions ready to be expressed. Studying them can go on forever, and become very exhausting. Here is my final conclusion: fear God and obey his commandments, for this is the entire duty of man. For God will judge us for everything we do, including every hidden thing, good or bad.
