While Villa Maria's greatest need is unrestricted monies, you may choose to direct your gift to one of our scholarship funds. Villa has several named endowment funds that have been established to provide a financial award or assistance to students for various reasons. Usually, when individuals (or groups/classes) established these funds, they specify criteria for disbursing the annual interest earnings or set amounts on the funds. These funds have been established by parents, alumnae and friends of Villa. If you are interested in establishing a named endowment fund or contributing to an existing one, please contact Kathy McCartney Director of Advancement, at kmccartney@vmahs.org or 610-854-6121.
