

VOTE Bonds for Buildings

Addressing overcrowded schools, community growth and student needs.

Liberty Ridge Elementary

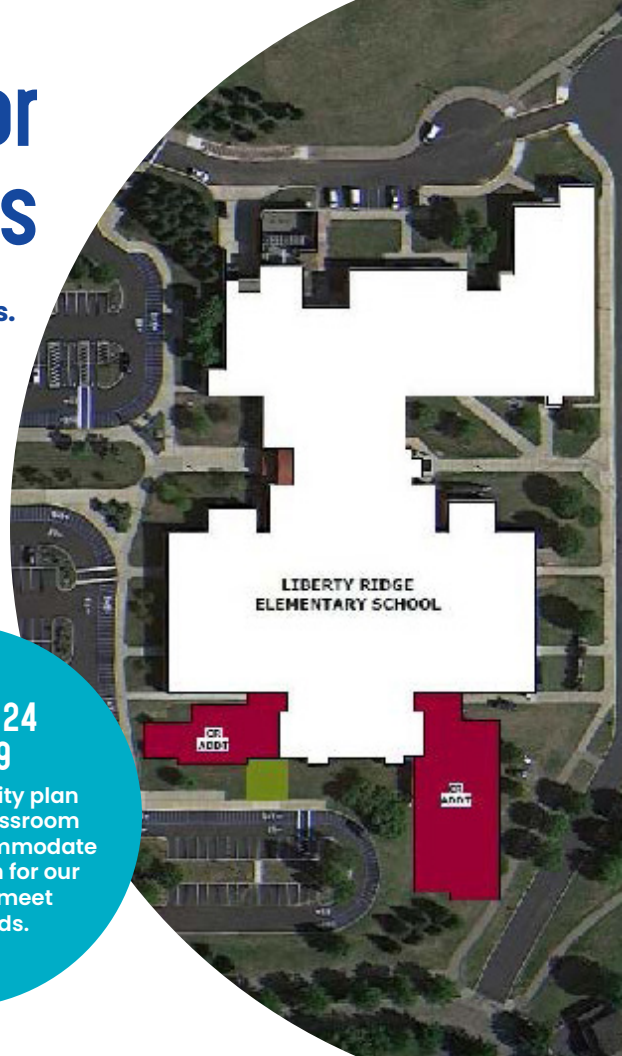

Classroom Additions for a Growing Community

Over the next 10 years, more than 3,500 potential new K-12 students are expected to move into the district. Current projections show that 15 schools will be over capacity and we will have a deficit of nearly 2,500 K-12 seats for students by 2031 if we do nothing.

If Approved by Voters:

- Construction of a new classroom addition

Vote June 24 to Aug. 9
The 10-year facility plan includes new classroom additions to accommodate projected growth for our school and to meet student needs.

If the Bond is Not Approved by Voters:

The current 10-year facility plan will be modified, but not dismantled, in order to address growth where it is occurring. With some schools overcapacity, **there will likely be extensive boundary changes prior to 2025 along with other considerations.**
