Addressing overcrowded schools, community growth and student needs.

Early Learning

A \$1.7 Million Investment in Early Learning Programs and Services

Over the next 10 years, more than 3,500 potential new K-12 students are expected to move into the district. Current projections show that 15 schools will be over capacity and we will have a deficit of nearly 2,500 K-12 seats for students by 2031 if we do nothing.

If Approved by Voters:

- Continue early learning services and programs at Liberty Ridge Site II
- Convert Newport Elementary School into a complete early learning center to expand programs and services in:
 - Early Childhood Family Education for children and families
 - Preschool and Pre-K programming
- Early childhood screenings, which are required before students enter kindergarten
- Early Childhood Special Education
- Assessments, evaluations, intervention visits and intake meetings for approximately 900 students (birth to 5)

**Vote June 24
to Aug. 9**

The 10-year facility plan includes expanding early learning services and programs for our youngest learners from birth to five.

If the Bond is Not Approved by Voters:

The current 10-year facility plan will be modified, but not dismantled, in order to address growth where it is occurring. With some schools overcapacity, **there will likely be extensive boundary changes prior to 2025 along with other considerations.**
