

2022-23 High School General Supply List

1- TI 83+ or TI 84+ graphing calculator (regular or plus version) for all math courses

Materials for IMP 1: graph paper marble composition notebook

1- thumb drive (labeled with your name) for electronic storage

1- single subject notebook where pages can be removed neatly, 1 two-pocket folder, pens/pencil.

Students may participate in PE wearing their regular dress code attire as long they change into sneakers. If students choose to change, **they may only wear solid color athletic shorts (mid-thigh or to the knee) or athletic pants and an MOT Charter spirit-wear t-shirt.**

1- small backpack to carry the above items. (No large or heavy backpacks in the building, there is no need, no storage & only limited extra floor space)

Any additional supplies will be course specific. List will be provided by course instructor during the first week of school.

Chrome-compatible wired headphones

Purchased from school:

1 – computer case (\$40.00 one-time* cost. This case **MUST BE** purchased at school to meet insurance requirements) for carrying the laptop during the school day

* Note: A lost case will incur a fee to replace

1 – school issued Chromebook laptop (For reference, the yearly insurance fee: \$30.00 for 2021-2022 school year, this amount is subject to change for 2022-23 school year. Families will be notified of any change in cost via email during the summer.)

Reminder: Students are expected to be in dress code on day one.
