Currently under construction in Finland and launching in July 2022, Swan Hellenic’s Vega is a new-generation expedition cruise ship. Although at 10,250 tons the ship is large enough to accommodate more than 250 passengers, Vega will accommodate a maximum of 152 guests in 76 spacious staterooms and balcony suites. The low guest density results in one of the most generous indoor and outdoor space-to-guest ratios among cruise ships.

Featuring the latest advances in technology and engineering, Vega is among the world’s first environmentally responsible ships. Equipped with hybrid engines, a system of powerful batteries, and a unique water filtration system, Vega leaves a minimal footprint. For cruising in Polar regions, the ship meets the stringent requirements of the new Polar Code with its high PC5 Category A ice-strengthened hull and other advanced features. A computer-controlled Dynamic Positioning System allows the ship to maintain position without anchoring. Operated by a complement of 120 experienced European officers and international crew members, Vega will carry a fleet of Zodciacs, versatile landing boats, and kayaks. Powerful stabilizers provide a smooth ride.

Vega’s interior spaces exude sophisticated elegance, with most rooms opening to panoramic views of the sea. All staterooms and suites face outside and are equipped with private facilities, climate control, TV, Wi-Fi and USB connections, and other amenities. Of the ship’s 76 staterooms, 60 have balconies. Public areas include a spacious observation lounge equipped with state-of-the-art facilities for lectures and presentations; a club lounge; a restaurant that accommodates all guests at one seating; an outdoor café/bar that surrounds the heated swimming pool; a wellness area with gym, spa, and sauna with an adjoining outdoor jacuzzi; library; beauty salon; and an infirmary that is attended by a full-time doctor and nurse. The ship also features expansive open-deck areas. Two elevators connect all decks. Attentive service is provided on a 24-hour basis. The outstanding cuisine is complemented by fine wines at lunch and dinner.
