0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest.

In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public comment at every public meeting.

Public participation shall be permitted at the discretion of the presiding officer.

Public participation shall be extended to residents of this district, persons having a legitimate interest in the actions of this Board, persons representing groups in the community or school district, representatives of firms eligible to bid on materials or services solicited by the Board, and employees and pupils of this district, except when the issue addressed by the participant is subject to remediation by an alternate method provided for in policies or contracts of the Board.

Public participation shall be governed by the following rules:

1. A participant must be recognized by the presiding officer and must preface comments by an announcement of his or her name, place of residence, and group affiliation, if appropriate;
2. No participant may speak more than once on the same topic until all others who wish to speak on that topic have been heard;
3. All statements shall be directed to the presiding officer; no participant may address or question Board members individually;
4. The presiding officer may:
