Average teacher salary (A.R.S. §15-189.05)

<input type="checkbox"/>	Check box if the school is new and will begin operations in FY 2023.		
1.	Average salary of all teachers employed in budget year 2023	\$	<u>46,800</u>
2.	Average salary of all teachers employed in prior year 2022	\$	<u>48,200</u>
3.	Increase in average teacher salary from the prior year 2022	\$	<u>600</u>
4.	Percentage increase		<u>1.2%</u>

Total teacher compensation includes a rich benefit package valued at approximately 30% of base amounts in additional compensation. Challenge Charter School greatly values our employees and this percentage increase plus our benefit package provides for continued competitive compensation packages while remaining a fiscally responsible entity. Presenting the average in this way for our small school staff does not always accurately reflect the growth of salaries for returning team members between years since the average is affected greatly by senior teachers retiring and newer teachers joining the team.
