

OLDHAM COUNTY BOARD OF EDUCATION POLICY

SHORTENED SCHOOL DAY

4087

Reference: 702 KAR 7:125(8)

Each student in the Oldham County Schools shall attend school for the full attendance day adopted by the school district, including starting and ending times, except identified special education students whose IEP's or Section 504 Accommodation Plans require a shortened school day, students attending the primary program, fifth year seniors needing fewer credits than a full school day would offer, students whose medical conditions require early release based on physician recommendation, and student participation in a co-op experience. Any other request for a shortened school day must be approved by the Superintendent/designee and Kentucky Department of Education.
