

OLDHAM COUNTY BOARD OF EDUCATION POLICY

TECHNOLOGY: INSTRUCTIONAL SUPPORT

4092

The District Infrastructure and Hardware Coordinator and the District Technology Instruction Coordinator will select 3 to 5 stakeholders across the district to sit on the Technology Core Planning team. The district technical staff will sit on a Technology Expanded Planning team along with members from each district department and school. District Administrators and Principals have the option to select the 2 to 3 members from within their building to sit on the Technology Expanded Planning team. The Core Planning team shall be responsible for developing the Vision, Mission, Goals, Objectives and Strategies that comprise Oldham County Schools' Technology Plan. The Expanded Planning Team shall be responsible to review and provide feedback on all the work provided by the Core Planning team, making sure the technology plan is in the best interest of their constituents.

The draft Oldham County Schools' Technology Plan will be submitted to Office of Educational Technology's KETS Engineer in April. The final plan will be presented to the board for approval before July 1st. The District Infrastructure and Hardware Coordinator and the District Technology Instruction Coordinator will be responsible for monitoring the implementation of strategies within the Technology Plan.
