

1. Click the link below <https://sptsuniversity.org/>
2. Login using past credentials, click forgot password if you forgot, or reregister.

3. Teachers, nurses, coaches, administrators, and teacher assistants will need to click the tile that is circled in red below titled *"Making Educators Partners in Youth Suicide Prevention: Act on FACTS (Admin) National Version."*

4. After the course above is completed, it will unlock 4 additional courses that you can choose from (see below). The above training will only give you 1 hour. You will then need to choose another hour total from the additional courses that will show up after the initial course is completed. That will have you selecting either two thirty-minute courses below, or one thirty minute and two fifteen-minute courses.

Once you finish all components, you will receive a final certificate displaying the required two hours.
