Termly Fees:

Missed direct debit payments will result in a £30 admin charge per missed payment.

Nursery: Fees are payable by BACs payment on or before the first day of each term.

Coach Fees and any Pupil Schemes, are charged in advance, any extras in arrears.

Reductions on the Termly Fee are available for children of former pupils and for siblings while the older sibling is at Yateley Manor. Please contact the Registrar for details. Payment of a year's fees in advance (by 22nd July or next working day thereafter,) results in a £200 reduction for years 1 and above.

The Registration Fee of £100 covers administration and assessment. It is not returnable.

The Deposit of £500 is due as confirmation of parental intention before a child finally joins the school. This is held until the pupil leaves and returned at the end of their final term. It is not returned in any other way. Please note that if a pupil leaves at the end of Nursery and does not join Reception, the deposit is not returnable.

Damage and loss to school property. Where damage is caused to School property through a pupil's negligence or wanton behaviour or where School belongings, such as textbooks, are lost by a pupil the parents' account will be charged with the full cost of repair or replacement.

Withdrawal and Notice. In accordance with the Parent Contract a full term's notice is required before the premature removal of a child and in default of such notice a full term's fees will be charged. This applies to all pupils at the school and Nursery. Notice must be in writing or email on or before the first day of term and is a contractual obligation which the Headmaster is not at liberty to waive. The School do not offer any "rolling notice" provision. The responsibility of a full term's fees is incurred the moment a place is accepted in which case notice of withdrawal must reach the School not later than the first day of the term prior to that in which the pupil was to enter.

The Headmaster has the right, should he consider circumstances warrant such action, to require the immediate removal of a pupil. In this event no claim shall arise for the remission or return of any portion of fees for that term.

Rebate of fees for absence from school is not given and parents should enroll in the School Fees Refund Scheme. Full details of this scheme is sent to parents when their children first join the School. It is the Parents' duty to ensure that all pupils' property is fully insured when at School. Pupils leaving part way through a school term will not receive a rebate of fees for days within that term that won't be attended.

Health. Parents will inform the School of any notifiable or dangerous diseases. If a pupil requires emergency medical treatment every effort will be made to obtain the prior consent of the parent or guardian, but where this is impossible in the time available, the Headmaster, or his appointed representative, acting in loco parentis, is authorised to give valid consent to such treatment, including anaesthetic or operation, as may be recommended by the doctor.

Dangerous objects and substances. No pupils shall bring dangerous or illegal objects or substances to school.

Pupils' money and expensive belongings. Expensive items or large amounts of money should not normally be brought to School, but if they are then they should be handed to a member of Staff or the School Office for safekeeping.
